not long overdue *Ways of Being Male* addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults. An outstanding team of scholars elucidates the ways in which different versions of male identity are constructed and presented to young audiences. The contributors, drawn from a variety of academic disciplines, employ international discourses in literary criticism, feminism, social sciences, film theory, psychoanalytic criticism, and queer theory in their wide-ranging exploration of male representation. With its illuminating array of perspectives, this pioneering survey brings a long neglected subject into sharp focus. **Ruth's**

Journey Donald McCaig, 2014-10-14. Exquisitely imagined, deeply researched, *Journey* brings to the foreground the most enigmatic and fascinating figure in *Gone with the Wind*. This is a brave work of literary empathy by a writer at the height of his powers who demonstrates a magisterial understanding of the period, its clashing cultures, and its heartbreaking crises. Geraldine Brooks, author of *March*, the only authorized prequel to Margaret Mitchell's *Gone with the Wind*, tells the unforgettable story of Mammy, an enslaved woman on a Caribbean island consumed by the flames of revolution. An infant girl falls under the care of two French migrants, Henri and Solange Fournier, who take the beautiful child they call Ruth to the bustling American city of Savannah. What follows is the sweeping tale of Ruth's life as shaped first by her strong-willed mistress and then by Solange's daughter, Ellen, and Gerald O'Hara, the rough Irishman Ellen chooses to marry. The Butler family of Charleston and their unexpected connection to Mammy, Ruth, and finally Scarlett O'Hara, the irrepressible Southern belle, Mammy raises from birth. As we witness the lives of three generations of women, gifted storyteller Donald McCaig reveals a nuanced portrait of Mammy, at once a proud woman and a captive, a strict disciplinarian who has never experienced freedom herself. Through it all, Mammy endures, a rock in the river of time. Set against the backdrop of the South from the 1820s until the dawn of the Civil War, here is a remarkable story of fortitude, heartbreak, and indomitable will, and a tale that will forever illuminate your reading of Margaret Mitchell's *Gone with the Wind*. *Defend This Heart* Christine DePetrillo, 2025-04-24. Women were always walking

away from me. I needed to remember that I suck at relationships. I never know what's going on in a woman's head. Things seem as if they're progressing well, and then poof! She's breaking up with me when I'm ready to take the next step. It makes me keep my current girlfriend at arm's length and guess what? She's noticed she's not happy and she's done with me. Fine. I'll just stick to caring for animals as a veterinarian at my family's wildlife rehabilitation center. Hartley's Nest. Animal emotions are much easier to decipher than human ones, anyway. Avoiding relationships is a great plan until an unexpected delivery of an almost five-year-old girl who happens to look just like me shakes things up considerably. Yeah, I'm her dad. Yeah, I had no idea she existed. Yeah, I now have custody of her. Yeah, I don't know what I'm doing. I need help, and I need it fast. Especially when I lose my new daughter in a toy store. Luckily, angels do exist, and preschool teacher Carina Fiore comes to my rescue in too many ways to count. When she agrees to both nanny and teach my daughter, my life gets back on track. Only the track leads to human emotions. Lots of them. Because Carina is amazing. She hasn't had the best of luck in relationships either.

however and we make a pact to be totally honest with each other It s wonderful to know exactly what s on her mind and to tell her what I m thinking and feeling When custody of my daughter is in jeopardy Carina helps me believe in miracles She also shows me that relationships are worth the risk Now I m ready for the next step Is she Defend This Heart is a small town contemporary single dad nanny romance between a veterinarian and a preschool teacher **The Dangerous Classes of New York** Charles Loring Brace,2020-07-31 Reproduction of the original The Dangerous Classes of New York by Charles Loring Brace **Bipolar Summer** Matthew Malekos,2013-02-25 Bipolar Summer A Poetic Collection by Matthew Malekos brings together poetry that spans the course of more than fifteen years from as early as 1997 The author is perhaps best known for his 2013 crime fiction Peroxide Homicide by Robert Hale Publishers of London Bipolar Summer represents his first attempt at collecting in one place his poetry all of which is previously unpublished *An Introduction to Syntax* Robert D.
