the 1st Marine Division in Iraq, 2003 Michael S. Groen,2006 This is a narrative describing the actions of Marines in combat during the liberation of Iraq Blue Diamond the 1st Division's Operation Iraqi Freedom nom de guerre consisted of some 20 000 Marines and Sailors and 8 000 vehicles organized into three regimental combat teams This is not a story of each of them but the story of all of them Foreword **Generation Kill** Evan Wright,2005-02-01 Based on Evan Wright's National Magazine Award winning story in Rolling Stone this is the raw firsthand account of the 2003 Iraq invasion that inspired the HBO original mini series Within hours of 9 11 America's war on terrorism fell to those like the twenty three Marines of the First Recon Battalion the first generation dispatched into open ended combat since Vietnam They were a new pop culture breed of American warrior unrecognizable to their forebears soldiers raised on hip hop video games and The Real World

Cocky brave headstrong wary and mostly unprepared for the physical emotional and moral horrors ahead the First Suicide Battalion would spearhead the blitzkrieg on Iraq and fight against the hardest resistance Saddam had to offer Hailed as one of the best books to come out of the Iraq war Financial Times Generation Kill is the funny frightening and profane firsthand account of these remarkable men of the personal toll of victory and of the randomness brutality and camaraderie of a new American War *The New American Imperialism* Vassilis Fouskas,Bülent Gökay,2005-10-30 With the terrorist attacks of September 11 2001 the United States long war on communism was replaced by a perpetual war on terror The authors posit that this neo imperialistic phase is but the latest development in a line of thought and action established after World War II But they say 2005 is not 1945 Today they argue the United States uses its power to deplete the resources of the developing world and to compel the rest of the world to remain dependent on American management of the global economy Contending

that this situation is ultimately untenable they assert that the United States is entering a period of deep crisis The best thing for American neo imperialists to do to avert their worst nightmare a strategic and economic alliance among Europe Russia China and OPEC would be to arrange for the orderly withdrawal of American power before it is too late for the human and environmental security of the world When the Soviet Union collapsed in 1991 the Cold War slowly gave way to a new world order in which the United States was left as the lone superpower But the organizing principle that would characterize the early 21st century was as yet unclear until the terrorist attacks of September 11 2001 Now it is clear that the long war on Communism has been replaced by a perpetual war on terror Regardless of how long American troops remain in Iraq and irrespective of further military actions George W Bush will continue to be a wartime president whose foreign policy is dominated by the Pentagon And yet the authors argue this neo imperialistic phase with its emphasis on Eurasian oil supplies is but the latest development in a line of thinking and acting in the world that was established by such men as Dean Acheson and Paul Nitze after World War II But 2005 is not 1945 and the United States despite Secretary of Defense Donald Rumsfeld and Vice President Dick Cheney s assertions is not liberating Iraq and Afghanistan in the same way that U S forces liberated Germany and Japan it is not reconstructing Iraq or the former Yugoslavia as it did when it rebuilt war torn western Europe with the Marshall Plan The United States with its thinly stretched military and deficit laden economy does not possess the means to do so today Instead the authors maintain the United States is simply depleting the developing world s natural resources compelling the rest of the developed world to remain dependent on American management of the global economy This situation is ultimately untenable the authors argue and as a result the United States is entering a period of deep crisis The best thing for American neo imperialists to do to avert their worst nightmare a strategic and economic alliance among Europe Russia China and OPEC would be to arrange for the orderly withdrawal of American power before it is too late for the human and environmental security of the world as a whole

The Spiders of Allah James Hider,2009-06-23 In his fascinating terrifying and often very funny book James Hider takes his doubts about religious beliefs straight into the dark heart of the world s holy wars from Israel to Gaza to Iraq the birthplace that spawned so many faiths and then back to Jerusalem From hardcore Zionist settlers still fighting ancient Biblical battles in the hills of the West Bank to Shiite death squads roaming the lawless streets of Iraq in the aftermath of Saddam whether it s the misappropriation and martyrdom of Mickey Mouse by Gaza s Islamists or a US president acting on God s orders Hider sees the hallucinatory effect of what he calls the crack cocaine of fanatical fundamentalism all around him As he meets terrorists suicide bombers soldiers ayatollahs clerics and ordinary and extraordinary people alike the question that sparked his journey continues to plague his thoughts how can people not only believe in this madness but die and kill for it too This extraordinary and timely book takes the God Delusion debate onto the streets of the Middle East It casts an unflinching yet compassionate eye on the very worst and most violent crimes committed in the name of religion and then sharply asks the questions the world needs to answer if we are ever to stand a chance of facing our own worst demons

With The 1st Marine Division In Iraq, 2003 Groen Michael S.,2018-11 With the 1st Marine Division in Iraq 2003 No Greater Friend No Worse EnemyThe events chronicled here capture the story of the Marines of the Blue Diamond as they prepared for war conquered and army and liberated a nation From across America and beyond they chose the demanding path to become Marines These Marines marched in the ranks of this national treasure that we call the 1st Marine Division And at a time when timid souls or cynical pundits grew loudest these men shouldered their weapons and moved without hesitation against the enemy Our victory was not inevitable It was the courage unselfishness and skill of the young men of Blue Diamond to whom we owe our victory
