Saddest Pleasure A Journey On Two Rivers:

The Saddest Pleasure Moritz Thomsen, 1990 The author an early Peace Corps worker tells of his desperate departure from Ecuador at the age of sixty three and his soul searching journey through Brazil and the Amazon River Cover *The Saddest Pleasure* Moritz Thomsen, 2019-05 Abruptly expelled from his farm in Ecuador at the age of sixty two Moritz Thomsen indulges in that saddest of pleasures travel taking a trip to Brazil and ultimately a journey up the great Amazon River by boat Assaulted by ghosts and memories at every turn as his journey unfolds he re examines his life to understand how he came to be living a life of self imposed poverty and hardship Outwardly he sails up the Amazon towards Manaus giving us poignant and limpid descriptions of the river yet inwardly a shattering romantic symphony rages running from the depths of human misery to life s small but exquisite transcendent pleasures He spares the reader nothing **The Saddest Pleasure** Moritz Thomsen, *Senior Tourism* Simone Francescato, Roberta Maierhofer, Valeria Minghetti, Eva-Maria Trinkaus, 2017-08-15 This volume aims to bridge the disciplinary gap between tourism studies and aging studies It investigates the intersections of tourism and aging from a variety of perspectives that focus on the many ways in which senior tourism is socially constructed and or individually experienced The essays tackle key topics ranging from the socio economic aspects of post retirement travel to the representations of the traveling elderly in literature film and media and the influence of travel on late life creativity **The Peace Corps Experience** P. David Searles, 2021-12-14 For more than 35 years the Peace Corps has pursued John F Kennedy s vision of helping people of the Third World build a better life Yet with the exception of a few celebrations of its early years little effort has been made to document that organization s history Now a former deputy director of the Peace Corps offers a first hand look at life in the agency both in the field and at headquarters and a radical reinterpretation of its history during the Nixon and Ford administrations By the end of the 1960s the Peace Corps was in disarray Debate raged over its effectiveness and many new volunteers embraced the antiestablishment behavior of the day s youth When President Nixon appointed Joseph Blatchford as director in 1969 some insiders felt the agency s days were numbered especially when Blatchford set about re evaluating the Peace Corps mission and initiated a program called New Directions to reorient its work Many observers simply lump Blatchford s efforts with the failures and faults of the Nixon administration David Searles however contends that the new director s initiatives revitalized the Peace Corps and made it a more relevant organization Searles faithfully relates the history of these policies and their implementation in the field drawing on his personal experience as country director for the Peace Corps in the Philippines He shows how despite constant carping from veterans of the early Peace Corps and much furor at headquarters New Directions reenergized the agency and renewed and reaffirmed the Peace Corps mission Searles s descriptions of political maneuverings are incisively observed and his firsthand characterizations of Peace Corps life richly impart the joys and frustrations of volunteer work *The Peace Corps Experience* will give historians a new perspective on the agency and will also interest anyone who has served in the Peace
