Minette Walters

Scolds Bridle:

The Scold's Bridle Minette Walters, 1995-10-15 A woman doctor in an English village finds herself the center of some nasty attention from police as well as villagers The will of a murdered woman names her the sole beneficiary and people assume she killed her By the author of *The Sculptress* *Punishments of Former Days* Ernest W. Pettifer, 1992 A book written in 1939 and later discovered and rescued by Waterside Press that gives a detailed account of the often barbaric or shameful punishments used in former times Since this book was first published in the 1950s the description it contains of the history of crime and punishment in Britain over the previous 200 years or so has attracted interest across a wide spectrum The work was reprinted in 1992 by Waterside Press having been out of print for decades The contents cover a wide range of historic punishments from outlawry to the ducking stool the pillory stocks and whirlingig to the branding iron and scold's bridle From mutilation and torture to sanctuary and the emergence of private and then public prisons this is an essential addition to any criminal justice collection imbued as it is by the comments of the author from the perspective of his own era which provides for fascination in itself Printed in the original style and format together with a large number of the original illustrations Quite absorbing The book transports the reader to a time when punishments were often brutal unrestrained and unregulated by standards fairness or consistency It also looks at the sometimes strange logic that was applied by judges justices of the peace and those charged with carrying out the task **The Taming of the Shrew** Dana E. Aspinall, 2002 The Taming of the Shrew Critical Essays provides comprehensive and up to date critical readings of the play The editor has selected essays that offer the most influential and controversial arguments surrounding the play Bizarre Laws & Curious Customs of the UK Monty Lord, 2023-05-09 A fascinating list of absurdities an extraordinary work remarkable and praiseworthy an extraordinary achievement Sir Michael Parkinson CBE Broadcaster journalist author In the UK we have some bizarre laws that have littered the statute books of our sceptred isle throughout history Not all of them have been repealed over the centuries Some of them made perfect sense at the time they were introduced but seen through modern eyes now appear archaic and draconian Despite the great efforts of the Law Commission in England and Wales to review and recommend reforms for many of these outdated laws there are centuries of law that must be painstakingly gone through As well as some bizarre laws the UK also has its fair share of curious customs and time honoured traditions that have been observed for centuries On the surface many appear to be nothing more than theatrical pomp and pageantry However they are all born from strong rationale The UK parliament seems to have had a particular penchant for passing laws related to fish and animals indecency and passing sentences with some humiliating public punishments This compendium book a combination of all 3 volumes from this book series is a highly entertaining read for anyone who enjoys learning about the more bizarre applications of UK law throughout the centuries along with some rather macabre consequences along the way Have you ever heard a bizarre law and thought that can't possibly be true Is it genuine Was it ever in existence or just an

urban myth that became so embellished over time There are surprisingly a great many laws still in existence on the statute books today that would make your jaw drop Whilst bizarre as these laws may now seem to us it begs the question are we in fact unknowingly breaking these laws on a regular basis For example It is illegal to own a pet whale but not a tiger It is illegal to keep a lunatic without a licence Unsurprisingly it is illegal to cause a nuclear explosion Magistrates are legally required to bind over every person of good behaviour It is illegal for any person to be drunk in a pub Granny farming is illegal during general elections It is illegal to be found on church grounds dressed as a giant gerbil whilst digging up the petunias all these questions and more will be answered in this latest book by Monty Lord with a foreword by the former Lord Chancellor The Rt Hon Sir Robert Buckland KBE KC MP Reading this book you may be inclined to laugh heartily let out a sorrowful cry or recoil in abject horror at some of the more gruesome sentences passed for breaking these weird laws With over 440 bizarre but nevertheless true laws and customs you can use this book to satisfy your curiosity about what our ancestors had to contend with over the years or perhaps as a reference guide for trivia quizzes *The Scold's Bridle* Minette Walters, 2012 Few tears fall when rich spiteful old Matilda's bloody corpse is found her wrists slit and the ancient scold's bridle an instrument of torture from the Middle Ages clamped on her head Matilda's doctor one of the few people who actually liked the woman is revealed to be the main beneficiary of the deceased's will and the prime suspect of the police Martin's Press **The Archaeological Journal**, 1856 Journal of the Architectural, Archaeological, and Historic Society for the County and the City of Chester and North Wales Architectural, Archaeological, and Historic Society for the County and the City of Chester and North Wales, 1864 **The Nic-nac**, 1823 *The Nic-Nac; or, oracle of knowledge*, 1822 **Journal** Architectural, Archaeological and Historic Society for the County, City and Neighborhood of Chester, 1864
