Scotch Verdict Miss Pirie And Miss Woods V Dame Cumming Gordon:

Scotch Verdict Lillian Faderman, 1993 The year 1810 The place Edinburgh Scotland A student Jane Cumming accuses her school mistresses Jane Pirie and Marianne Woods of having an affair in the presence of their students Dame Cumming Gordon the wealthy and powerful grandmother of the accusing student advises her friends to remove their daughters from the boarding school Within days the school is deserted and the two women deprived of their livelihood **Scotch Verdict** Cumming GORDON, 1985 *Scotch Verdict* Lillian Faderman, 1985 Scotch Verdict Lillian Faderman, 1983 **Female Masculinity** Judith Halberstam, Jack Halberstam, 1998 Masculinity without men In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years Providing the first full length study on this subject Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth century pre lesbian practices to contemporary drag king performances Through detailed textual readings as well as empirical research Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity She considers the enigma of the stone butch and the politics surrounding butch femme roles within lesbian communities She also explores issues of transsexuality among transgender dykes lesbians who pass as men and female to male transsexuals who may find the label of lesbian a temporary refuge Halberstam also tackles such topics as women and boxing butches in Hollywood and independent cinema and the phenomenon of male impersonators *Female Masculinity* signals a new understanding of masculine behaviors and identities and a new direction in interdisciplinary queer scholarship Illustrated with nearly forty photographs including portraits film stills and drag king performance shots this book provides an extensive record of the wide range of female masculinities And as Halberstam clearly demonstrates female masculinity is not some bad imitation of virility but a lively and dramatic staging of hybrid and minority genders *Developments in the Histories of Sexualities* Chris Mounsey, 2013-04-11 *Developments in the Histories of Sexualities* In *Search of the Normal* 1600 1800 explores the oppositions created by the official exclusion of banned sexual practices and the resistance to that exclusion through widespread acceptance of those outlawed practices at an interpersonal level At different times and in different places state legislation sets up or tries to set up a normal by rejecting a particular practice or group of practices Yet this normal is derogated by popular practice since the banned acts themselves are thought at the grassroots level to be normal Among the events discussed in these essays are the Woods Pirie trial the Ladies of Llangollen the popular acceptance of fops and mollies and the press reaction to the discovery that James Allen was a woman who had lived successfully as a man and Lavinia Edwards was a man who had made her living as a female prostitute *Developments in the History of Sexualities* analyzes both the state language of bans and fiats about sexuality and

the grassroots language which marks the acceptance of multiplicity in sexual practice Contributors benefit from the accumulation of new evidence of attitudes towards sexual practice and they engage with a wide range of texts including Ned Ward's History of the Clubs Tobias Smollett's Roderick Random Shakespeare's Taming of the Shrew and The Tempest Dryden's All for Love Anne Batten Cristall's Poetical Sketches Isaac de Benserade's Iphis et Iante and Alessandro Verri's Le Avventure di Saffo

Baby, You are My Religion Marie Cartier, 2014-09-11 Baby You Are My Religion argues that American butch femme bar culture of the mid 20th Century should be interpreted as a sacred space for its community Before Stonewall when homosexuals were still deemed mentally ill these bars were the only place where many could have any community at all Baby You are My Religion explores this community as a site of a lived corporeal theology and political space It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars that traditional and non traditional religious activities took place there and that religious ceremonies such as marriage were often conducted within the bars by staff Baby You are My Religion examines how these bars became not only ecclesiastical sites but also provided the fertile ground for the birth of the struggle for gay and lesbian civil rights before Stonewall
