Scottish Home:

Scottish Home Rule Ben Thomson, 2020-11-11 A proponent of Scottish Home Rule offers a clear and concise introduction to the merits of the policy and the history of the movement Every debate about the Scottish constitution should include the topic of Scottish Home Rule and if there is to be another referendum in Scotland then Home Rule should be one of the options on the ballot paper Yet for all its importance Home Rule is not widely understood The proposal is seen by many Unionists as the slippery slope to Independence Meanwhile Independence supporters regard it as a Unionist proposal to retain sovereignty over Scotland It is however a strong proposal in its own right with a separate history from Independence and a more likely steppingstone to Federalism This book lays out the merits of Scottish Home Rule as the best solution for Scotland It covers the history of support for the Home Rule option since 1860s a clear outline of how it works and a discussion about how it could both improve Scotland and act as a framework for constitutional reform across the UK

Elliot Bulmer,2016-07-08 Before the independence referendum in 2014 the First Minister of Scotland Alex Salmond promised a written constitution for Scotland in the event of a Yes vote The UK is almost unique in having never adopted a written constitution or other fundamental law Why did this commitment arise in Scotland
