Scotus Americanus A Study Of 18th Century Sources:

Essays in the Economic History of the Atlantic World John McCusker, 2005-08-15 Written by one of the leading authorities on trade and finance in the early modern Atlantic world these fourteen essays revised and integrated for this volume share as their common theme the development of the Atlantic economy especially British America and the Caribbean Topics treated range from early attempts in medieval England to measure the carrying capacity of ships through the advent in Renaissance Italy and England of business newspapers that reported on the traffic of ships cargoes and market prices to the state of the economy of France over the two hundred years before the French Revolution and of the British West Indies between 1760 and 1790 Included is the story of Thomas Irving who challenged and thwarted the likes of John Hancock Samuel Adams Alexander Hamilton George Washington and Thomas Jefferson *Scotus Americanus* William Ranulf Brock, 1982 *Making the American Self* Daniel Walker Howe, 2009-09-22 Originally published in 1997 and now back in print Making the American Self by Daniel Walker Howe the Pulitzer Prize winning author of What Hath God Wrought charts the genesis and fascinating trajectory of a central idea in American history One of the most precious liberties Americans have always cherished is the ability to make something of themselves to choose not only an occupation but an identity Examining works by Benjamin Franklin Jonathan Edwards Abraham Lincoln Frederick Douglass Henry David Thoreau Ralph Waldo Emerson Margaret Fuller and others Howe investigates how Americans in the 18th and 19th centuries engaged in the process of self construction self improvement and the pursuit of happiness He explores as well how Americans understood individual identity in relation to the larger body politic and argues that the conscious construction of the autonomous self was in fact essential to American democracy that it both shaped and was in turn shaped by American democratic institutions The thinkers described in this book Howe writes believed that to the extent individuals exercised self control they were making free institutions liberal republican and democratic possible And as the scope of American democracy widened so too did the practice of self construction moving beyond the preserve of elite white males to potentially all Americans Howe concludes that the time has come to ground our democracy once again in habits of personal responsibility civility and self discipline esteemed by some of America s most important thinkers Erudite beautifully written and more pertinent than ever as we enter a new era of individual and governmental responsibility Making the American Self illuminates an impulse at the very heart of the American experience **Program of the ... Annual Meeting of the American Historical Association** American Historical Association. Meeting, 1981 **Scots in the USA** Jenni Calder, 2014-02-15 The map of the United States is peppered with Scottish place names and America s telephone directories are filled with surnames illustrating Scottish ancestry Increasingly Americans of Scottish extraction are visiting Scotland in search of their family history All over Scotland and the United States there are clues to the Scottish American relationship the legacy of centuries of trade and communication as well as that of departure and heritage The experiences of Scottish settlers in the United States varied

enormously as did their attitudes to the lifestyles that they left behind and those that they began anew once they arrived in North America Scots in the USA discusses why they left Scotland where they went once they reached the United States and what they did when they got there a valuable readable and illuminating addition to a burgeoning literature should be required reading on the flight to New York by all those on the Tartan Week trail Alan Taylor Sunday Herald **The Comic Genius of Dr. Alexander Hamilton** Robert Micklus,1990 *Lost in the Backwoods* Jenni Calder,2013-05-31 How is the Scottish imagination shaped by its emigre experience with wilderness and the extreme Drawing on journals emigrant guides memoirs letters poetry and fiction this book examines patterns of survival defeat adaptation and response in North

Scotland and America, c.1600-c.1800 Alexander Murdoch,2009-12-18 While the literature relating to Scottish contact with America has grown significantly in recent years the influence of America on Scotland and its early modern history has been neglected in favour of a preoccupation with Scottish influence on the formation of North American national identities Alexander Murdoch s fascinating new study explores Scottish interactions with North America in a desire to open up fresh perspectives on the subject Scotland and America c 1600 c 1800 Surveys the key centuries of economic migratory and cultural exchange including Canada and the Caribbean Discusses Scottish participation in the Atlantic slave trade and the debate over its abolition Considers the Scottish experience of British unionism with respect to developing American traditions of unionism in the U S and Canada Incorporating the latest research this is essential reading for anyone interested in the dynamic relationship between Scotland and America during a key period in history *Literature and Music in the Atlantic World, 1767-1867* Catherine Jones,2014-07-16 This new study looks at the relationship of rhetoric and music in the era s intellectual discourses texts and performance cultures principally in Europe and North America Catherine Jones begins by examining the attitudes to music and its performance by leading figures of the American Enlightenment and Revolution notably Benjamin Franklin and Thomas Jefferson She also looks at the attempts of Francis Hopkinson William Billings and others to harness the Orphean power of music so that it should become a progressive force in the creation of a new society She argues that the association of rhetoric and music that reaches back to classical Antiquity acquired new relevance and underwent new theorisation and practical application in the American Enlightenment in light of revolutionary Atlantic conditions Jones goes on to consider changes in the relationship of rhetoric and music in the nationalising milieu of the nineteenth century the connections of literature music and music theory to changing models of subjectivity and Romantic appropriations of Enlightenment visions of the public ethical function of music Subject Catalog, 1982 Library of Congress,1982
