Shakespeare's Pub Pete Brown, 2025-09-23 A history of Britain told through the story of one very special pub from The Beer Drinker's Bill Bryson Times Literary Supplement Welcome to the George Inn near London Bridge a cosy wood paneled galleried coaching house a few minutes walk from the Thames Grab yourself a pint listen to the chatter of the locals and lean back resting your head against the wall And then consider this who else has rested their head against that wall over the last six hundred years Chaucer and his fellow pilgrims almost certainly drank in the George on their way out of London to Canterbury It's fair to say that Shakespeare popped in from the nearby Globe for a pint and we know that Dickens certainly did Mail carriers changed their horses here before heading to all four corners of Britain while sailors drank here before visiting all four corners of the world The pub as Pete Brown points out is the primordial cell of British life and in the George he has found the perfect example All life is here from murderers highwaymen and ladies of the night to gossiping peddlers and hard working clerks So sit back with Shakespeare's Pub and watch as buildings rise and fall over the centuries and the beer drinker's Bill Bryson UK's Times Literary Supplement takes us on an entertaining tour through six centuries of history through the stories of everyone that ever drank in one pub

Daffron,2019-11-01 Since the accident that killed her fianc Erin Quinn s life has been on hold Locked in grief she s in no mood to embrace holiday cheer but she runs out of excuses to avoid her family when her parents send her a plane ticket so she can spend the holidays with them in Alpine Grove Erin hasn t been back to her hometown in more than two decades And she never tells anyone that until she was twelve she lived in a hippie commune with no electricity or indoor plumbing The years at the Dancing Cedars commune was a drama filled part of her past she s worked hard to forget When her childhood friend Dylan Bryant picks Erin up at the airport the past starts to catch up with her Since the commune disbanded he s been working at his family s Christmas tree farm a place chock full of elves twinkle lights questionable baked goods and family crises Sure he might be three feet taller than the last time she saw him but Dylan s offbeat personality hasn t changed Neither has his ability to see through her defenses At an eccentric Thanksgiving gathering everyone discovers the old Hodgepodge Lodge at Dancing Cedars is filthy and overrun with feral cats and maybe a skunk Against her better judgment Erin agrees to help Dylan clean up and repair the abandoned log structure which has more holes than a cheese grater In between bizarre dreams filled with oversized Santa possums and jingle bears Erin reconnects with Dylan and finds herself increasingly drawn to the timeless serenity and beauty of the Dancing Cedars property But when a developer makes a play for the land they might need a miracle to save it
