The Script of Life in Modern Society Marlis Buchmann,1989-04-13 Includes bibliography index *A World of Their Own Making* John R. Gillis,1997 Discusses ritual events we regard as family traditions and how they must be open to perpetual revision so we can satisfy our human needs and changing circumstances Longitudinal Methods in Youth Research Julia Cook,Quentin Maire,Johanna Wyn,2024-05-29 This book addresses how longitudinal research approaches are used to understand young people s lives It elucidates how youth researchers use longitudinal approaches and how longitudinal research can help us to both understand and shape the field of youth sociology Chapters discuss the creation of knowledge about youth and how longitudinal research shapes the field of youth sociology and shed light on key tensions and emerging debates in longitudinal youth research ranging from research design to data collection analysis and use It considers longitudinal studies using a broad range of methods including qualitative quantitative mixed methods retrospective methods and creative and participatory methods This collection offers insights from longitudinal youth scholars conducting research in Argentina Lithuania Australia Estonia Canada the United States US the United Kingdom UK Finland and India These researchers reflect on the future of longitudinal youth research addressing emerging and prospective issues This book provides a concise survey of key established and emerging areas of concern in longitudinal research and of the relationship between these areas and the field of youth studies more specifically Handbook of Social Psychology John DeLamater,2006-11-24 Psychology focusing on processes that occur inside the individual and Sociology focusing on social collectives and social institutions come together in Social Psychology to explore the interface between the two fields The core concerns of social psychology include the impact of one individual on another the impact of a group on its individual members the impact of individuals on the groups in which they participate the impact of one group on another This book is a successor to Social Psychology Social Perspectives and Sociological Perspectives in Social Psychology The current text expands on previous handbooks in social psychology by including recent developments in theory and research and comprehensive coverage of significant theoretical perspectives **Identity at Work** John Chandler,2016-09-13 This insightful book draws on a range of contemporary and classic studies to explore the connection between the personal experience of work and the wider social structures in which it takes place Identity at Work examines key social identities relevant to the workplace such as those based on gender sexual orientation ethnicity and race disability age occupation class and organizational membership Using research from a wide variety of countries and academic approaches this book provides a readable and engaging introduction to the issues exploring how people experience work understand and present themselves at work and relate to others Providing an accessible investigation of work and identity this text will be valuable to students looking at organizational behaviour HRM diversity management and the sociology of work *NowHere* Roger Friedland,Deirdre Boden,2023-11-15 The fall of the Berlin wall the uprising at Tiananmen Square the war in the Persian Gulf

the conflict in Bosnia such events have been fundamentally affected by modern technology As we become instant spectators of war famine and revolution time and space assume new global meanings This provocative volume presents an eclectic group of contributors who attempt to make sense of the now and the here that define the modern age The essays by anthropologists religionists geographers linguists sociologists and historians explore the temporal and spatial facets of social life Their range is remarkable and includes English landscape painting talk in corporations agoraphobic women the ecological structure of Los Angeles the cosmology of the Holocaust and the ritual spaces of Buddhist Japan and the Church of the Holy Sepulchre in Jerusalem The editors introduction addresses the diversity of these empirical concerns and positions them within a rapidly expanding theoretical landscape David Hockney s striking painting on the book jacket captures the tension between somewhere and everywhere between space and place now and just a moment ago hence nowhere or now here The fall of the Berlin wall the uprising at Tiananmen Square the war in the Persian Gulf the conflict in Bosnia such events have been fundamentally affected by modern technology As we become instant spectators of war famine and revolution time and

Personality Development In Adolescence Eva Skoe,Anna von der Lippe,2005-07-22 The formation of identity in adolescence is the most central concept in psychological and sociological studies of young people Most theories to date assume that adolescents share the same conditions under which their identities are formed Personality Development in Adolescence is a collection of work by leading researchers that considers different contexts affecting personality and identity development Three main contexts are considered cultural family and life span development Of central importance to developmental psychologists this collection will also be valuable to social workers teachers nurses and all those whose work involves young people

Education and Work in Great Britain, Germany and Italy Annette Jobert,Catherine Marry,Helen Rainbird,Lucie Tanguy,2013-05-13 This volume examines the multiple connections between education broadly defined and work through an analysis of the literature on the transition from school to work on vocational training and on the labour market It shows that concepts such as skill unemployment rates young people and the transition from school to work are socially constructed and are thought about in ways which are nationally specific This book is essential reading for students of European training systems and for those conducting comparative European research

Gender Inequalities in the 21st Century Jacqueline L. Scott,Rosemary Crompton,Clare Lyonette,2010-01-01 Both women and men strive to achieve a work and family balance but does this imply more or less equality Does the persistence of gender and class inequalities refute the notion that lives are becoming more individualised This book documents how gender inequalities are changing and how many inequalities of earlier eras are being eradicated

Avoiding Retirement in Chile Ignacio Cabib,2025-04-29 Drawing on life course gender and welfare regime theories and relying on primary longitudinal qualitative data life story interviews with 90 older workers and primary longitudinal quantitative data life course calendar surveys among 802 older individuals Avoiding Retirement in Chile critically examines the generalizability of traditional age norms involving the transition to

retirement within a persistently uncertain and precarious setting Grounded in systematic empirical evidence this study allows us to reflect on the fact that a definitive and permanent exit from any form of economic activity is increasingly viewed as a fictional scenario by most older individuals This arises not only from highly precarious social conditions but also from a complex process involving individual agency wherein the status of being retired is progressively less voluntarily anticipated As such it is of significant interest to a broad spectrum of undergraduate and graduate students as well as scholars across various disciplines including social sciences economics humanities gerontology public health and social epidemiology Additionally the book targets policymakers and decision makers engaged in topics such as aging the labor market pension systems social and health inequality and life course determinants of disparities in old age
