## **Serving In Silence Margarethe Cammermeyer Tv Mo:**

**SERVING IN SILENCE** Margarethe Cammermeyer with Chris Fisher, 2005-08-02 VIETNAM VETERAN RECIPIENT OF THE BRONZE STAR MOTHER OF FOUR VA NURSE OF THE YEAR DISCHARGED In 1989 during a routine interview for top secret security clearance U S Army Colonel Margarethe Cammermeyer revealed that she was a lesbian and began an ordeal that continues to this day Despite her distinguished twenty six year military career she was discharged from the U S Army Her dismissal has garnered intense media coverage and stirred debate all the way to the presidency In this revealing autobiography Cammermeyer writes of her decision to challenge the official policy on homosexuals in the military and of her recent victory in Federal District Court But much more than a book laws and politics *Serving in Silence* is about coming of age being a mother and finding one's center about coming out the daily horrors of nursing in Vietnam and a female soldier's brave life THE BOOK THAT INSPIRED THE TELEVISION MOVIE *The Queer Encyclopedia of Film and Television* Claude Summers, 2012-04-24 From Hollywood films to TV soap operas from Vegas extravaganzas to Broadway theater to haute couture this comprehensive encyclopedia contains over 200 entries and 200 photos that document the irrepressible impact of queer creative artists on popular culture How did Liberace's costumes almost kill him Which lesbian comedian spent her high school years as the best white cheerleader in Detroit For these answers and more fans can dip into *The Queer Encyclopedia of Film Theater and Popular Culture* Drawn from the fascinating online encyclopedia of queer arts and culture [www.glbtc.com](http://www.glbtc.com) which the Advocate dubbed the Encyclopedia Britanniqueer this may be the only reference book in which RuPaul and Jean Cocteau jostle for space From the porn industry to the Sisters of Perpetual Indulgence from bodybuilding to Dorothy Arzner it's a queer queer world and *The Queer Encyclopedia* is the indispensable guide readable authoritative and concise And perfect to read by candlelight The answers to the two questions above from the dry cleaning fumes Lily Tomlin **Gay TV and Straight America** Ron Becker, 2006-02-02 After decades of silence on the subject of homosexuality television in the 1990s saw a striking increase in programming that incorporated and in many cases centered on gay material In shows including *Friends* *Seinfeld* *Party of Five* *Homicide* *Suddenly Susan* *The Commish* *Ellen* *Will & Grace* and others gay characters were introduced references to homosexuality became commonplace and issues of gay and lesbian relationships were explored often in explicit detail In *Gay TV and Straight America* Ron Becker draws on a wide range of political and cultural indicators to explain this sudden upsurge of gay material on prime time network television Bringing together analysis of relevant Supreme Court rulings media coverage of gay rights battles debates about multiculturalism concerns over political correctness and much more Becker's assessment helps us understand how and why televised gayness was constructed by a specific culture of tastemakers during the decade On one hand the evidence points to network business strategies that embraced gay material as a valuable tool for targeting a quality audience of well educated upscale adults looking for something edgy to watch But Becker also argues that the increase of gay material in the public eye creates growing

mainstream anxiety in reaction to the seemingly civil public conversation about equal rights In today s cultural climate where controversies rage over issues of gay marriage yet millions of viewers tune in weekly to programs like Queer Eye for the Straight Guy this book offers valuable insight to the complex condition of America s sexual politics **The Barbara**

**Streisand Scrapbook** Allison J. Waldman,2001 A biographical tribute to Barbra Streisand her fame stardom and personal life with photographs and illustrations **Encyclopedia of Television Film Directors** Jerry Roberts,2009-06-05 From live productions of the 1950s like Requiem for a Heavyweight to big budget mini series like Band of Brothers long form television programs have been helmed by some of the most creative and accomplished names in directing Encyclopedia of Television Film Directors brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium **Women at War** Rosemarie

Skaine,1999-03-15 The Persian Gulf War changed the face of combat It brought women s military roles into the spotlight in large part via the mass media and showed that many women performed combat roles similar to those of men during the conflict The war was thus an impetus for changes in laws that had prevented women from serving in combat assignments In past centuries because it was not culturally acceptable for women to serve in combat surprising numbers joined secretly under assumed male names After defining exactly what is meant by war and combat this work presents historical and present day views of the involvement of women in the military The impact of regulations on women in combat is analyzed as is the role of the American public in the controversy Female combat is put into context with sociological theory also discussed are readiness cohesion ability sexuality equal opportunity and family issues **Gay Seattle** Gary L. Atkins,2011-10-17 Winner of a 2004 Washington State Book Award Winner of a 2004 Alpha Sigma Nu ASN Jesuit Book Award In 1893 the Washington State legislature quietly began passing a set of laws that essentially made homosexuality and eventually even the discussion of homosexuality a crime A century later Mike Lowry became the first governor of the state to address the annual lesbian and gay pride rally in Seattle Gay Seattle traces the evolution of Seattle s gay community in those 100 turbulent years telling through a century of stories how gays and lesbians have sought to achieve a sense of belonging in Seattle Gary Atkins recounts the demonization of gays by social crusaders around the turn of the century the earliest prosecutions for sodomy the official harassment and discrimination through most of the twentieth century and the medical discrimination and commitment to mental hospitals that continued into the 1970s as homosexuality was diagnosed as a disease that could be

cured Places of refuge from this imposed social exile were created in underground theater and dance clubs the Gold Rush era burlesque shows modern drag theater and in mid century the emergence of openly gay bars from the Casino to Shelley s Leg Many of these were subjected to steady exploitation by corrupt police until bar owner MacIver Wells and two Seattle Times reporters exposed the racket The increasingly public presence of gays in Seattle was accompanied by the gradual coalescence of social services and self help organizations such as the Dorian Society gay businesses and advocacy groups including the Greater Seattle Business Association and the stormy relationship between the Vatican Seattle s Catholic hierarchy and gay worshippers Atkins narrative reveals the complex and often frustrating process of claiming a civic life showing how gays and lesbians have engaged in a multilayered struggle for social acceptance against the forces of state and city politics the police the media and public opinion The emergence of mainstream political activism in the 1970s and ultimately the election of Cal Anderson and other openly gay officials to the state legislature and city council were momentous events yet shadowed by the devastating rise of AIDS and its effect on the homosexual community as a whole These stories of exile and belonging draw on numerous original interviews as well as case studies of individuals and organizations that played important roles in the history of Seattle s gay and lesbian community Collectively they are a powerful testament to the endurance and fortitude of this minority community revealing the ways a previously hidden sexual minority comes out as a people and establishes a public presence in the face of challenges from within and without
