Regulating Water and Sanitation for the Poor

Richard Franceys, Esther Gerlach, 2012-05-04 The aim of this book is to present the potential benefits as well as the challenges of introducing a more formal economic regulatory process into the urban water sector arena in lower income countries There is a particular focus upon the impact this may have on the poorest the informal slum and shanty dwellers of the rapidly growing cities Economic regulation usually introduced in the context of private operation of monopoly water supply can deliver objectivity and transparency in the price setting process for public as well as private providers The book describes and analyses these issues through a consideration of ten country case studies As a starting point the current situation for the provision of water and sanitation services for the poorest through non regulated public providers in India and Uganda is reviewed Comparative chapters are then presented on Ghana Philippines Bolivia Jordan Zambia and Indonesia all with varying degrees of private sector involvement and regulation Finally the experiences of two richer countries are considered Chile and England countries with the longest experience of economic regulation and the most privatized suppliers In all cases there is a focus on the very necessary role of customer involvement in price setting and service monitoring and on the role of alternative private service providers

The Handbook Of Microfinance Beatriz Armendariz, Marc

Labie, 2011-04-28 The Handbook of Microfinance showcases an expansive collection of works from leading academics and field practitioners In an attempt to understand the enormous gap between the limited number of clients that are currently benefiting from microfinance services and the huge number of potential clients that are not the selected contributions in this comprehensive handbook have one common thread the prevailing mismatch between demand by clients of microfinance institutions and potential clients selecting themselves out for their demand for a wider array of financial products which is not being met The scope of the book is wide and explores successes and failures main challenges and debates methodologies for impact evaluation via random trials leading trends in Asia versus Latin America main efforts in Africa the importance of value chains in Central America ethical and gender issues savings microinsurance governance commercialization trends and the potential advantages and disadvantages of it This exhaustive Handbook also features main lessons from informal finance and 19th century credit cooperatives addressing the above mentioned mismatch

Towards a Society that Serves Its

People John J. Hassett, Hugh Lacey, 1991 This collection presents a representative sample of the writings of three of the six Jesuits who were slain in El Salvador on November 16 1989 Although little known in the United States these men were significant scholars who possessed an original conception of the university They affirmed in difficult circumstances the pursuit and teaching of truth as a collaborative collegial process that transcends international boundaries

Inspired to Serve Mark H. Mass ©, 2004-10-12 Never underestimate the good you can do Rabbi Steve Foster tells his Denver congregation in Mark H Mass s *Inspired to Serve* and it is the book s message as well Melissa Fay Greene author of *Praying*

for Sheetrock The Temple Bombing and Last Man Out Anyone who wants to know more about how diverse religious organizations perform civic good works should read this excellent account John J DiIulio Jr University of Pennsylvania Powerful real life stories of people of faith serving and empowering the poor Ronald J Sider President Evangelicals for Social Action Curious about what had happened to the social activism of the 1960s and in response to the recent interest in faith based initiatives Mark H Mass set out to identify people who had continued their social activism in the context of a religious commitment to work in aid of the poor and the disenfranchised The profiled activists include clergy lay workers and others representing a mix of faiths social issues and geographic regions They include a Jesuit priest working in a poor neighborhood in Portland a Muslim messenger of good news to an Islamic community in Texas an Irish American nun working with migrants and others in central Florida a black Episcopalian minister on Chicago s Southside and a Dharma activist in California What sets these and other activists apart is the depth and breadth of their service vision and sacrifice Many risk their reputations and careers their health even their lives in pursuit of social change Mass discovers that these individuals share an unbending belief in the power potential and rewards of service to others as they try to balance their secular and spiritual lives in the face of challenging work

Social Development in Latin America Joseph S. Tulchin, Allison M. Garland, 2000 This volume provides a wide ranging analysis of social welfare reform in Latin America examining in particular the politics involved in implementing difficult and controversial social policies that often pit the middle strata of society represented by powerful stakeholders against the poor

(1968?-1978), 1975 Poor's, 1926 The Victimization of Public School Teachers in America Emmanuel Edouard, PhD, 2024-08-09 The assault on public school teachers integrity livelihood and professionalism started in 1983 with the publication of A Nation at Risk Based on the results of our education system performance they were indirectly accused of failing our children Still it peaked in 2004 when Rod Paige then George W Bush s secretary of education called the country s leading teachers union a terrorist organization Teachers felt dehumanized then In 2009 Barack Obama blamed them for letting our grades slip our schools crumble our teacher quality fall short and other nations outpace us Teachers felt let down again In 2017 President Donald Trump lamented how beautiful students had been deprived of all knowledge by our nation s cash guzzling public school system Teachers felt humiliated and rejected Currently in states like Florida public school teachers are besieged by politically motivated laws and unrealistic demands from parents politicians and noneducation

experts They have lost their freedom to teach as they see fit to meet the needs of their students Teachers feel more disrespected devalued unappreciated and under attack than ever The bad news is that a recent NEA survey revealed that 55 percent of currently employed teachers are seriously considering leaving their jobs If that rate of resignations continues to grow the question is Will there be a public school system in America in the future *Investment in Central America* United States.
