The Freedom of the Christian Martin Luther, Adam Francisco, 2020-10-15 The Freedom of the Christian was Martin Luther s first public defense of the doctrine of justification by grace through faith on account of Christ alone Luther s explosive rediscovery of the Gospel of Jesus Christ shattered the Church of Rome s foundation of works which considered good works a part of salvation instead of a result of it Here Luther constructed a rich theology that relies on the full power of the Gospel which not only grants saving faith but also nurtures that faith through good works done in the freest service This new abridged translation from Adam Francisco featuring a brief essay from Scott Keith leaves no doubt that the Christian secure in Christ is truly free free from sin death and the devil and free to serve their neighbor

Creature of the Word Matt Chandler, Eric Geiger, Josh Patterson, 2012 Respected pastor Matt Chandler launches a compelling discussion about fostering churches that view the gospel as not one piece but the very basis of their existence allowing that truth to inform their theology culture and practice

Transformational Groups Ed Stetzer, Eric Geiger, 2014-02-15 God declared through the Apostle Paul that the church

would be a place of transformation In 2 Corinthians 5 17 we find Therefore if anyone is in Christ he is a new creation old things have passed away and look new things have come Despite this the church seems increasingly to be a place where transformation fails to occur Surveying the landscape however there are some bright spots where churches are faithfully producing transformed disciples Furthermore as shown in Scripture and supported by new research God designed such transformation to often happen in the context of smaller groups of people But what characteristics are true of churches that are making transformed disciples through group based ministry whether small groups missional communities Sunday school or some other expression of groups In Transformational Groups Ed Stetzer and Eric Geiger have created a new scorecard that will provide a map to transformational success for your church s groups ministry Using data from the largest survey of pastors and laypersons ever done on the condition of groups in the church they define a simple process to lead your groups from where they are to where God wants them to be
