Catherine of Siena Thomas McDermott, 2008 Although Catherine of Siena was proclaimed a Doctor of the Church in 1970 relatively little attention has been given to her mystical thought particularly in the English speaking world *The Dialogue* the famous compendium of her mature thought is difficult to understand owing to its interruptions repetitions overlapping arguments imagery and undefined terms Thomas McDermott breaks new ground in his systematic presentation of Catherine's teachings Drawing on the *Dialogue* and also on Catherine's 381 letters and prayers he explains clearly her principal teachings in relation to spiritual development and identifies Catherine's possible sources as well as her areas of originality By examining Catherine's life and mystical experiences McDermott shows how she herself grew spiritually and how her growth corresponds to her later teaching on the three stairs on the bridge of Christ crucified Finally the author puts forward what he regards as the fundamental message of Catherine's life and teaching Students of mysticism and spirituality will find this book a trustworthy guide through the incredibly rich mysticism of one of the 14th century's most amazing women **The Dialogue of St. Catherine of Siena** St. Catherine of Siena, 1991-09 St Catherine of Siena's *Dialogue* describes the entire spiritual life through a series of conversations between God and the soul represented by Catherine herself Readers of *The Dialogue* of Saint Catherine of Siena will find her revelations from God as informative and formative as those who recognized

her sanctity during her life The universally applicable yet intimately personal messages she received from God are as much for us as they were for Catherine We can read God's communications to his beloved daughter with detached awe or we can receive His messages to us through her writings Do you long for certainty that Divine Providence exists in the midst of our chaotic world Does your prayer seem too dry or too routine Have you sought guidance for the challenges of your life from unhelpful people or things Or has pride kept you from humble obedience to the Church If so The Dialogue will provide consolation encouragement and hope *Saint Catherine of Siena* Paul Murray,2020-06 Catherine of Siena is one of the most intriguing and explosive saints in Church history A young laywoman with almost no education she became renowned for her intense mystical experiences inspired preaching and scathing criticism of corrupt political and ecclesial authorities She is even recognized today as a Doctor of the Church the only layperson to ever receive the title yet comes across to us more as an apostle than an intellectual Her work is like Aquinas Summa set on fire But for all the fascination with Catherine the distinguishing feature of her life has received surprisingly little attention her preoccupation with freedom Catherine had a keen sense of the unspeakably crazy love of God and the liberating power of his mercy But she also knew the terrible bondage of sin and the necessity of facing our own inner darkness if we are to overcome it She had a passion for leading those enslaved by fear and oppression to self knowledge in God and ultimately to true freedom It is this fire that inflames almost every page she writes In this profound book the Irish Dominican poet and writer Fr Paul Murray draws us into the fire of this great mystic's love for God and humanity reading her life and teaching not only in light of Dominican spirituality but also the writings of Renaissance philosopher Giovanni Pico della Mirandola and the modern psychologist Carl Jung What results is a portrait of a preacher of freedom who speaks to us even today with compelling authority *Little Talks with God* Catherine of Siena,2010-08-01 Eternal greatness You made yourself low and small to make mankind great While in an ecstatic trance St Catherine of Siena dictated The Dialogue In this intense and searching work she offers up petitions to God filling her conversation with instruction on discernment true and false spiritual emotion obedience and truth and revealing her famous image of Christ as the Bridge Catherine's brilliant insights into the nature of the spiritual life have motivated Christians for centuries to unite a life of prayer with a life of action This have I told you my sweetest daughter that you might know the perfection of this union producing state when the eye of the intellect is ravished by the fire of my charity in which it receives supernatural light With this light the souls in the state of union love me because love follows the intellect and the more it knows the more it can love from the book **The Dialogue of Saint Catherine of Siena** St Catherine of Siena,2016-12-10 Man is placed above all creatures and not beneath them and he cannot be satisfied or content except in something greater than himself Greater than himself there is nothing but Myself the Eternal God Therefore I alone can satisfy him and because he is deprived of this satisfaction by his guilt he remains in continual torment and pain Weeping follows pain and when he begins to weep the wind strikes the tree of self love which he has made the principle of all his being

These are the words of God the Father from The Dialogue of St Catherine of Siena a practical and compelling work of Christian mysticism The editor has modernized the language in this newly revised and edited edition of this timeless work for the benefit of the contemporary reader St Catherine 1347 1380 virgin and Doctor of the Church dictated the Dialogue during a state of ecstasy while in dialogue with God the Father In it the Eternal Father describes through many different analogies allegories and metaphors the spiritual life of humankind In his description God emphasizes among other things the importance of cultivating virtue continually praying and the need for obedience Written at a time of spiritual and political upheaval The Dialogue of St Catherine of Siena remains relevant even to the present day and any reader will profit from the sound advice throughout this extraordinary work Instructive and profound the Dialogue is considered one of the greatest works of Christian mysticism of all time Many people do not know that St Catherine was also a stigmatist bearing the wounds and suffering the passion of Christ for the salvation of souls She prayed to God to make the wounds invisible so as not to draw attention to herself Only her confessor Blessed Raymond of Capua knew of her sharing in the sufferings of Our Lord until the day the saint died when the wounds became visible for all to see This edition of The Dialogue originally published in 1907 but now in more modern English as well as relatively small print thus only 164 pp includes an Introduction on the life and times of the saint as well as an account of her death by an eyewitness Unfortunately Amazon shows a different cover pic and text when you look at the sample pages But you will get my revised and edited version See other excellent classic works revised into modern English published by the editor by searching Darrell Wright Thanks for looking and also for positive reviews of them
