

A dramatic night scene featuring a three-masted sailing ship, possibly a pirate ship, navigating through a narrow strait between dark, craggy cliffs. The ship's lights are on, and its reflection is visible in the calm water. The sky is a deep blue, filled with numerous stars and a faint, glowing nebula or galaxy. The overall mood is mysterious and adventurous.

Set The Stars Alight:

Set the Stars Alight Amanda Dykes, 2020-06-30 Lucy Clairmont's family treasured the magic of the past and her childhood fascination with stories of the high seas led her to become a marine archaeologist. But when tragedy strikes it's Dashel, an American forensic astronomer and his knowledge of the stars that may help her unearth the truth behind the puzzle she's discovered in her family home. Two hundred years earlier the seeds of love are sown between a boy and a girl who spend their days playing in a secret sea cave while the privileged young son of the estate looks on wishing to join. As the children grow and war leads to unthinkable heartbreak a story of love, betrayal, sacrifice and redemption unfolds, held secret by the passage of time. As Lucy and Dash journey to a mysterious old estate on the East Sussex coast their search leads them to a community of souls and a long hidden tale that may hold the answers and the healing they so desperately seek. the Stars Alight Denise Robins, 1941 **When The Stars Alight** Camilla Andrew, 2023-06-16 A maiden of the stars. A monster from the shadows. A collision that rewrites their worlds. Princess Laila Rose is a fallen star in human form. A beloved guardian to humanity. Yet in spite of these fantastical origins she has never much believed in prophecies. That's why when a demon of apocalyptic legend is presented to her in a block of ice she feels fascination rather than fright. Curiosity kindles into mutual desire once he breaks free of his captivity. Far from the rampaging beast of mass destruction everyone expects he is monstrously handsome, deviously articulate and alluringly mysterious, a prince among his kind. Eager to discover his origins, Laila travels from her idyllic seaside realm into a land of unspeakable horrors, relying on her wits to survive her journey. She arrives aiming to establish peaceful contact with the aid of the besotted prince. However, it becomes clear that the heartless demon king does not desire peace at all, only war and conquest. When diplomacy fails, Laila turns to the king's suave and manipulative bastard son in the hopes that she can inspire both him and his trueborn brother to go against their father. But soon it is her heart she must keep from being torn between their centuries-old dangerous rivalry. This gothic fantasy set in a vibrant gaslamp world is a must-read for fans of villain and heroine ships. It's written in lush lyrical prose full of intricate worldbuilding, courtly intrigue and magic that seeps through the pages. Beneath its light romantic and whimsical veneer, you can expect darkness, brutality and passion. **KEYWORDS** Romantic fantasy series, first book in series, gaslamp fantasy, political fantasy, villain romance, light vs dark gothic romance, doomed love story, magic, fallen stars, court intrigue, forbidden love, villain gets the girl, star-crossed lovers. Being Known Robin Jones Gunn, 2020-04-28 From the bestselling author of *Becoming Us* comes a novel that asks: What does it mean to be truly known? In a marriage, in a friendship or by a loving God? After her mom passed away, Jennalyn was in the midst of moving, adjusting to life with a new baby and helping her husband Joel work toward his dream job. At the time she thought she'd processed her mother's death, but only now that Jennalyn has two small children, a lovely new home and a husband who is always working, does she feel the full impact of what she has lost. Even among her sweet circle of friends, the Haven Makers' grief silently overwhelms Jennalyn until an unexpected encounter allows her to

express herself in ways she hasn't fully been able to with her husband. Even though Christy, Sierra, Emily, and Tess provide a soft place to land in times of tension, Jennalyn remains guarded, especially when Tess reveals she is tangled emotionally in a relationship that was thorny from the start. Will the two women open up and remain honest with the others in their Haven Makers group? Or will their hesitation to truly be known faults and all keep them from holding on to the friendships that have been the sweetest gift during this season of life.

Yours Is the Night Amanda Dykes, 2021-08-03 A mysterious song in the forest. A discovery in war-torn France. A journey toward hope. The trenches of the Great War are a shadowed place. Though Platoon Sergeant Matthew Petticrew arrived there with a past long marked by shadow, the realities of battle bring new wounds carving within him a longing for light and a resolve to fight for it. One night, Matthew and his comrades are enraptured by a sound so pure, a voice so ethereal it offers reprieve even if only for a moment. Soon rumors sweep the trenches from others who have heard the lullaby too. The Angel of Argonne they call the voice a mysterious presence who leaves behind wreaths on unmarked graves. Raised in the wild depths of the Forest of Argonne, Mireilles finds her reclusive world rocked when war crashes into her idyllic home, taking much from her. When Matthew and his two unlikely companions discover Mireilles, they must embark on a journey that will change each of them forever and perhaps at long last spark light into the dark. On the 100th anniversary of the dedication of the Tomb of the Unknown Soldier comes an emotive tale inspired by the courageous soldiers of World War I.

All the poetry I recently wrote but went unread. Darren

Hobson, 2021-10-01 This is a collection of poetry written over the last five years; some of the poems were published as independent eBooks, none of which got off the ground; some of the collections were abandoned before being finished. Here you have a collection of poems that documents most of the world events and social issues from the last five years. The path through these poems is dark and dangerous; the path splinters off into many directions; you will find yourself in the depths of a tortured mind and then find yourself in a haunted maze. This work is deep and eccentric, cruel and energetic in places angry and disturbing. At the end of the day, this is a guide to surviving in this new world ravaged by the pandemic and lashed by natural disasters. Would you dare to read it?

[A Pocketful of Wonder](#) Amanda Dykes, 2025-03-25 Invite Kids to Delight in the Wonder. All around Them. In a world increasingly dependent upon screens and technology, it's as crucial as it is countercultural to help kids capture the natural joys and treasures each day holds. Written and illustrated by mom of four, former teacher, and award-winning author Amanda Dykes, this family-friendly field guide offers fifty low-prep or no-prep hands-on activities that invite children and their caregivers to spot the wonders of God's creation. Taking a multisensory approach, each entry incorporates physical activity, art, music, poetry, exploration, Scripture, and prayer, appealing to a vast array of personalities, interests, learning types, and abilities. Offers tools to see and magnify the meaning God has woven into this world, fills little hearts with hope while pointing to a Creator who loves them very much. Small in size but big in impact. *A Pocketful of Wonder* is an adventure-filled guide that encourages parents, caregivers, and young children to see and explore
