**Seton Gordon** Raymond Eagle,1991      Ethel Gordon Fenwick Jenny Main,2022-07-28 A great nursing reformer Ethel Gordon Fenwick was born before the age of the motor car and died at the start of the jet age When she began her career nursing was a vocation unregulated with a dangerous variety of standards and inefficiencies A gifted nurse Ethel worked alongside great medical men of the day and aged 24 she became the youngest matron of St Bartholomew s hospital London where she instigated many improvements At that time anyone could be called a nurse regardless of ability Ethel recognized that for the safety of patients and of nurses there must be an accepted standard of training with proof of qualification provided by a professional register Often contentious Ethel was a determined woman She fought for nearly thirty years to achieve a register to ensure nurses were qualified respected professionals A suffragist and journalist she travelled to America where she met like minded nursing colleagues As well as helping to create the International Council of Nurses and the Royal British Nurses Association she was also instrumental in organising nurses and supplies during the Graeco Turkish War and was awarded several medals for this work Thanks to her long campaign for registration a year after her death nurses were ready to take their place alongside other professionals when the National Health Service began in 1948      **Raptor** James Macdonald Lockhart,2017-04-07 This illuminating book serves as homage to a brilliant naturalist and extraordinary birds If you loved H Is for Hawk put this next on your reading list Kirkus Reviews starred review From the merlin to the golden eagle the goshawk to the honey buzzard James Macdonald Lockhart s stunning debut is a quest of beak talon wing and sky On its surface Raptor is a journey across the British Isles in search of fifteen species of birds of prey but as Lockhart seeks out these elusive predators his quest becomes so much more an incomparably elegant elegy on the beauty of the British landscape and through the birds a journey toward understanding an awesome power at the heart of the natural world a power that is majestic and frightening in its strength but also fragile Linking his journey to that of his muse nineteenth century Scottish naturalist and artist William MacGillivray Lockhart shares his own encounters with raptors ranging from the scarce osprey to the successfully reintroduced red kite a species once protected by medieval royal statute revealing with poetic immediacy the extraordinary behaviors of these birds and the extreme environments they call home Creatures both worshipped and reviled raptors have a talon hold on the human heart and imagination With his book Lockhart unravels these complicated ties in a work by turns reverent and euphoric an interweaving of history travel and nature writing at its best A hymn to wanderers to the land and to the sky and especially to the birds Raptor soars Lockhart s soaring debut is a perfect synthesis of travel writing and natural history Financial Times      *Poacher's Pilgrimage* Alastair McIntosh,2018-03-09 The islands of the Outer Hebrides are home to some of the most remote and spectacular scenery in the world They host an astonishing range of mysterious structures stone circles beehive dwellings holy wells and temples from the Celtic era Over a twelve day pilgrimage often in appalling conditions Alastair McIntosh returns to the islands of his childhood and explores the meaning of

these places Traversing moors and mountains struggling through torrential rivers he walks from the most southerly tip of Harris to the northerly Butt of Lewis The book is a walk through space and time across a physical landscape and into a spiritual one As he battled with his own ability to endure some of the toughest terrain in Britain he met with the healing power of the land and its communities This is a moving book a powerful reflection not simply of this extraordinary place and its people met along the way but of imaginative hope for humankind *The Highland Pipe and Scottish Society, 1750-1950* William Donaldson, 2000 What happened to the Highland bagpipe in the two centuries following Culloden This study presents much new contemporary evidence and uses a range of methods to recreate the changing world of the pipers as they influenced and were influenced by the transformations in Scottish society **Piping Times**, 1991 *Books in Scotland*, 1993 **Piping Traditions of the North of Scotland** Bridget Mackenzie, 1998 **Collins Encyclopaedia of Scotland** John Keay, Julia Keay, 2000 This encyclopedia covers every aspect of Scotland's past her people arts industries environment and continuing traditions New entries include Dolly the Sheep Billy Bremner and the new Scottish Parliament Previous ed 0002550822 1994 *Rothiemurchus* T. Christopher Smout, Robert A. Lambert, 1999 *Contested Mountains* Robert A. Lambert, 2001 This is a collection of essays showing that concerns about climate change are far from being a uniquely modern phenomenon It traces the origins of environmental debates about soil erosion deforestation and climate change in the writings of early colonial administrators doctors and missionaries The author traces what is known and what can be inferred about El Nino events centuries before the devastating 1997 1998 effects In a concluding essay he analyzes the general significance of marginal land and its ecology in the history of popular resistance movements **British Birds**, 1992 *Scottish Bird News*, 1986 [Bibliography of Natural History Travel Narratives](#) Anne S. Troelstra, 2017-06-01 Anne Troelstra's fine bibliography is an outstanding and ground breaking work He has provided the academic world with a long needed bibliographical record of human endeavour in the field of the natural sciences The travel narratives listed here encompass all aspects of the natural world in every part of the globe but are especially concerned with its fauna flora and fossil remains Such eyewitness accounts have always fascinated their readers but they were never written solely for entertainment fragmentary though they often are these narratives of travel and exploration are of immense importance for our scientific understanding of life on earth providing us with a window on an ever changing and often vanishing natural world Without such records of the past we could not track document or understand the significance of changes that are so important for the study of zoogeography With this book Troelstra gives us a superb overview of natural history travel narratives The well over four thousand detailed entries ranging over four centuries and all major western European languages are drawn from a wide range of sources and include both printed books and periodical contributions While no subject bibliography by a single author can attain absolute completeness Troelstra's work is comprehensive to a truly remarkable degree The entries are arranged alphabetically by author and chronologically by the year of first publication

under the author's name. A brief biography with the scope and range of their work is given for each author; every title is set in context; the contents, including illustrations, are described; and all known editions and translations are cited. In addition, there is a geographical index that cross-refers between authors and the regions visited, and a full list of the bibliographical and biographical sources used in compiling the bibliography.
