## **Setting The Tone Essays And A Diary:**

Setting the Tone, 1984      **Song** Carol Kimball, 2006-12-01 Carol Kimball's comprehensive survey of art song literature has been the principal one volume American source on the topic. Now back in print after an absence of several years, this newly revised edition includes biographies and discussions of the work of      A Singer's Guide to the American Art Song: 1870-1980 Victoria Etnier Villamil, 2004-10-05 New in Paperback 2004. Probably the most comprehensive work on the American art song ever available, this book considers the lives and contributions of 144 significant composers in the field, including many for whom information has been extremely scarce. Most composers' entries consist of a biographical sketch, a brief discussion of his or her song writing characteristics, with emphasis on performers' concerns, a partial or complete listing of annotated songs, recording information, and the composer's individual bibliography. Song annotations include poet, publisher, date of composition, when known, voice type, range, duration, tempo, indication, mood, subject matter, vocal style, special difficulties, general impression, artists who have recorded the song, and any other pertinent information. Thirty composers whose contributions are deemed of lesser import are summarized in brief essays. Appendixes include a supplement of recommended songs, a listing of American song anthologies and their contents, and the most recent information regarding publishers cited in the guide. There is also a general discography, a general bibliography, and indexes for both titles and poets. Documenting the most important 110 years in the development of American art song, this book is an indispensable tool for singers, teachers, coaches, accompanists, and libraries.

**The Ballad of John Latouche** Howard Pollack, 2017-10-06. Born into a poor Virginian family, John Treville Latouche (1914-56) in his short life made a profound mark on America's musical theater as a lyricist, book writer, and librettist. The wit and skill of his lyrics elicited comparisons with the likes of Ira Gershwin, Lorenz Hart, and Cole Porter, but he had too noted Stephen Sondheim, a large vision of what musical theater could be, and he proved especially venturesome in helping to develop a lyric theater that innovatively combined music, word, dance, and costume and set design. Many of his pieces, even if not commonly known today, remain high points in the history of American musical theater. A great American genius, in the words of Duke Ellington, Latouche initially came to wide public attention in his early twenties with his cantata for soloist and chorus, *Ballad for Americans* (1939), with music by Earl Robinson, a work that swept the nation during the Second World War. Other milestones in his career included the all-black musical fable *Cabin in the Sky* (1940) with Vernon Duke, an interracial updating of John Gay's classic *The Beggar's Opera* as *Beggar's Holiday* (1946) with Duke Ellington, two acclaimed Broadway operas with Jerome Moross, *Ballet Ballads* (1948) and *The Golden Apple* (1954), one of the most enduring operas in the American canon, *The Ballad of Baby Doe* (1956) with Douglas Moore, and the operetta *Candide* (1956) with Leonard Bernstein and Lillian Hellman. Extremely versatile, he also wrote cabaret songs, participated in documentary and avant-garde film, translated poetry, adapted plays, and much else. Meanwhile, as one of Manhattan's most celebrated raconteurs and hosts, he developed a wide range of friends in the arts, including to name only a

few Paul and Jane Bowles whom he introduced to each other Yul Brynner John Cage Jack Kerouac Frederick Kiesler Carson McCullers Frank O'Hara Dawn Powell Ned Rorem Virgil Thomson Gore Vidal and Tennessee Williams a dazzling constellation of diverse artists working in sundry fields all attracted to Latouche's brilliance and joie de vivre not to mention his support for their work This book draws widely on archival collections both at home and abroad including Latouche's diaries and the papers of Bernstein Ellington Moore Moross and many others to tell for the first time the story of this fascinating man and his work
