Seven A M Practice Stories Of Family Life:

Original Highways Roy MacGregor, 2018-05-08 Expanding on his landmark Globe and Mail series in which he documented his travels down sixteen of Canada's great rivers Roy MacGregor tells the story of our country through the stories of its original highways and how they sustain our spirit identity and economy past present and future No country is more blessed with fresh water than Canada From the mouth of the Fraser River in BC to the Bow in Alberta the Red in Manitoba the Gatineau the Saint John and the most historic of all Canada's rivers the St Lawrence our beloved chronicler of Canadian life Roy MacGregor has paddled sailed and traversed their lengths learned their stories and secrets and the tales of centuries lived on their rapids and riverbanks He raises lost tales like that of the Great Tax Revolt of the Gatineau River and reconsiders histories like that of the Irish would be settlers who died on Grosse Ile and the incredible resilience of settlers in the Red River Valley Along the Grand the Ottawa and others he meets the successful conservationists behind the resuscitation of polluted wetlands including Toronto's Don the most abused river in Canada In the Mackenzie River Valley he witnesses the Dehcho First Nation's effort to block a pipeline they worry endangers the region's lifeblood Long before our national railroad was built rivers held Canada together in these sixteen portraits filled with yesterday's adventures and tomorrow's promise MacGregor weaves together a story of Canada and its ongoing relationship with its most precious resource

Wayne Gretzky's Ghost Roy MacGregor, 2012-11-06 Roy MacGregor has been called the best hockey writer in the country and we finally have a collection of his very best hockey writing revised and updated For nearly 40 years Roy MacGregor has brought hockey our national sport alive on the page From tales of the game's greats Guy Lafleur Jean Beliveau Marcel Dionne to today's stars Sidney Crosby Alex Ovechkin Daniel and Henrik Sedin his magazine and newspaper coverage has revealed so much about these and so many other personalities in moments of promise victory and defeat While many of these stories play out on the ice some of the most compelling take place on the home front Mario Lemieux's battle against cancer the many tribulations of Bob Gainey and MacGregor's prose shines especially when focused on the human side of a sport defined by superhuman feats of speed aggression and power Wayne Gretzky's Ghost is a personal book and also a book of challenging ideas that Wayne Gretzky through no fault of his own was the worst thing to happen to hockey that CBC's Hockey Night in Canada has lost sight of what it is that goaltending has become a position out of all proportion to what was intended And who could offer a better perspective on the game than a writer who playing as a youngster had to face an onrushing phenom from Parry Sound named Bobby Orr or who spent a year ghostwriting a national newspaper column for the Great One himself When it comes to hockey Roy MacGregor has seen and in some cases done it all

Northern Light Roy MacGregor, 2011-09-06 NATIONAL BESTSELLER FINALIST FOR THE OTTAWA BOOK AWARD FOR NON FICTION Roy MacGregor's lifelong fascination with Tom Thomson first led him to write Canoe Lake a novel inspired by a distant relative's affair with one of Canada's greatest painters Now MacGregor breaks new ground re

examining the mysteries of Thomson's life, loves and violent death in the definitive non-fiction account *Why does a man who died almost a century ago and painted relatively little still have such a grip on our imagination?* The eccentric spinster Winnie Trainor was a fixture of Roy MacGregor's childhood in Huntsville, Ontario. She was considered too odd to be a truly romantic figure in the eyes of the town, but the locals knew that Canada's most famous painter had once been in love with her and that she had never gotten over his untimely death. She kept some paintings he gave her in a six-quart basket she'd leave with the neighbours on her rare trips out of town and in the summers she'd make the trip from her family cottage where Thomson used to stay on foot to the graveyard up the hill where fans of the artist occasionally left bouquets. There she would clear away the flowers. After all, as far as anyone knew, he wasn't there; she had arranged at his family's request for him to be exhumed and moved to a cemetery near Owen Sound. As Roy MacGregor's richly detailed *Northern Light* reveals, not much is as it seems when it comes to Tom Thomson, the most iconic of Canadian painters: Philandering, deadbeat or visionary artist and gentleman victim of accidental drowning or deliberate murder, the man's myth has grown to obscure the real view and the answers to the mysteries are finally revealed in these pages.

Canoe Country Roy MacGregor, 2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo-filled history of the relationship between a country and its canoes. From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author's family roots deep in the Algonquin wilderness to modern families who have canoed across the country, kids and dogs included, *Canoe Country* is Roy MacGregor's celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around. Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it. Drawing on MacGregor's own decades spent whenever possible with a paddle in his hand, this is a story of high adventure on white water and the sweetest peace in nature's quietest corners from the author, best able and most eager to tell it.

Food, Morals and Meaning John Coveney, 2002-01-04 *Food Morals and Meaning* examines our need to discipline our desires our appetites and our pleasures at the table However instead of seeing this discipline as dominant or oppressive it argues that a rationalisation of pleasure plays a positive role in our lives allowing us to better understand who we are The book begins by exploring the way that concerns about food the body and pleasure were prefigured in antiquity and then how these concerns were recast in early Christianity as problems of natural appetite which had to be curbed The following chapters discuss how scientific knowledge about food was constructed out of philosophical and religious concerns about indulgence and excess in 18th and 19th Century Europe Finally by using research collected from in depth interviews with families the last section focuses on the social organisation of food in the modern home to illustrate the ways that the meal table now incorporates the principles of nutrition as a form of moral training especially for children *Food Morals and Meaning* will be essential reading for those
