Sunday the Seventh Day Frederick Joseph Spencer, 1904 *Seven Days That Divide the World* John C. Lennox, 2011-08-23 What did the writer of Genesis mean by the first day Is it a literal week or a series of time periods If I believe that the earth is 4.5 billion years old am I denying the authority of Scripture In response to the continuing controversy over the interpretation of the creation narrative in Genesis John Lennox proposes a succinct method of reading and interpreting the first chapters of Genesis without discounting either science or Scripture With examples from history a brief but thorough exploration of the major interpretations and a look into the particular significance of the creation of human beings Lennox suggests that Christians can heed modern scientific knowledge while staying faithful to the biblical narrative He moves beyond a simple response to the controversy insisting that Genesis teaches us far more about the God of Jesus Christ and about God's intention for creation than it does about the age of the earth With this book Lennox offers a careful yet accessible introduction to a scientifically savvy theologically astute and Scripturally faithful interpretation of Genesis *Seven Days of Creation* Donna Russell, 2024-08-06 The Seven Days of Creation teaches us that God is the creator of this world He puts everything in it for us Do you know what God made each day This interactive book will give you the tools to memorize each day that will last a lifetime *The Seven Feasts of Israel and the Messiah, 3rd Edition* Ronald Jean PhD, 2019-03-26 Scene after scene we are surrounded by the theatrics of the passion The panorama begins as Israel performs seven solemn ritualistic feasts pointing to the dismemberment of his physical and spiritual captivity The messianic application to Israel's memorial feasts is central to his preparation to enjoy his long awaited eternal freedom In *The Seven Feasts of Israel and the Messiah 3rd Edition* Dr Jean explores the purpose of the different sabbaths given to Israel and how

each point to a unique aspect of either creation or redemption The gospel to the chosen people is explained in a unique and fresh perspective Tracing the path of their dispersion punishment and re acceptance is clearly mapped God s latter day program for the chosen people can now be seen from clear messages from the Bible Considering the topic of the feasts through the lens of scripture Jean describes commonalities and differences of feasts religions recognize providing an important historical and spiritual viewpoint *Reading the Old Testament* Lawrence Boadt, Richard J. Clifford, Daniel J. Harrington, 2012 Daily life in Ancient Israel Great prophets including Hosea Amos Isaiah People and lands of the Old Testament *The Divine Father* Felix Albrecht, Reinhard Feldmeier, 2014-02-06 The present volume is devoted to the theme of Divine Father in Second Temple Jewish and early Christian tradition and in its ancient pagan contexts It brings together proceedings of a conference under the same title held in G ttingen in September 2011 Selected articles by well known scholars focus on religious and philosophical concepts of divine parenthood in antiquity from the Hebrew Bible and Second Temple Judaism the Dead Sea Scrolls Targums Philo and Josephus to the field of the New Testament In addition the volume deals with the designation of deity as father or mother from the broad spectrum of ancient Egypt and classical antiquity Homer Hesiod Plato and its reception to late antiquity Plotinus and Porphyry Genesis 1-11 Thomas A. Keiser, 2013-08-21 Although the object of centuries of study only relatively recently has Genesis 1 11 been analyzed with attention to its literary unity and theological purpose With the latter twentieth century s increased attention to synchronic approaches many scholars began to consider Genesis 1 11 from the perspective of a literary unity in its final form and therefore to consider matters of intent and theological content Yet in spite of these treatments there have been virtually no attempts to view the entire section of Genesis 1 11 as a literary and theological unity presenting a coherent message This book begins to fill this void by seeking to identify the message of these chapters through utilization of a literary theological approach The study focuses on literary features including the broader issues of surface and deep structure while other topics of special concern include rhetoric as the art of composition for the purpose of communication and persuasion and the use of speech as an important indicator of key issues in Hebrew narrative From Sabbath to Lord's Day D. A. Carson, 1999-11-05 A series of authors assert the premise that Sunday is a new day of worship that was chosen to commemorate the unique salvation historical event of the death and resurrection of Christ rather than merely being another day for celebrating the Sabbath
