Seven Roads to Hell Donald Burgett, 2014-07-11 The Screaming Eagles of the 101st Airborne Division had just finished the battle for the bridge too far Field Marshal Montgomery s ill fated Operation Market Garden As Christmas 1944 approached the division was settling in for some hard earned rest and recuperation Despite its failure to hold the Rhine River bridgehead at Arnhem a few weeks earlier Eisenhower's Allied juggernaut appeared unstoppable Then Hitler ordered a massive Nazi counterattack through the supposedly impenetrable Ardennes Forest The overwhelming armor heavy Wehrmacht forces cut through the thinly manned Allied lines racing for Antwerp and the coast German victory in what is now known at the Battle of the Bulge would split the Allied armies cripple their attack against the Reich and lengthen the war perhaps by years The author and the rest of the Screaming Eagles were rushed to Bastogne a small Belgian crossroads town where seven roads met The lightly armed paratrooper became the cork in the bottle of the Nazi onslaught Bastogne became the key to German victory They immediately found themselves in close combat Without enough ammunition or food in freezing weather with deep snow they even lacked winter clothing Yet for eleven days they held out against the best the Nazis could throw at them buying the time needed for Patton's Third Army to redeploy form the south Burgett's memoir he was not yet twenty years old at the time of the battle is an exciting and enduring testament to the Screaming Eagles and their epic defense of Bastogne Donald R Burgett is the author of three additional books Currahee a critically acclaimed memoir of the Normandy invasion Road to Arnhem and Beyond the Rhine **Those Who Hold Bastogne Peter** Schrijvers, 2014-11-04 The acclaimed World War II historian delivers a panoramic and compelling boots on the ground illumination of one of the Bulge's most epic battles Patrick K O Donnell author of Washington's Immortals Hitler's last gamble the Battle of the Bulge was intended to push the Allied invaders of Normandy all the way back to the beaches The plan nearly succeeded and almost certainly would have were it not for one small Belgian town and its tenacious American defenders who held back a tenfold larger German force while awaiting the arrival of Gen George Patton's mighty Third Army In this dramatic account of the 1944 45 winter of war in Bastogne historian Peter Schrijvers offers the first full story of the German assault on the strategically located town From the December stampede of American and Panzer divisions racing to reach Bastogne first through the bloody eight day siege from land and air and through three more weeks of unrelenting fighting even after the siege was broken events at Bastogne hastened the long awaited end of WWII Schrijvers draws on diaries memoirs and other fresh sources to illuminate the experiences not only of Bastogne's three thousand citizens and their American defenders but also of German soldiers and commanders desperate for victory The costs of war are revealed uncovered in the stories of those who perished and those who emerged from battle to find the world forever changed A fast

paced story Schrijvers does an admirable job of weaving personal accounts into the larger picture of Bastogne's horrors The Wall Street Journal Pulse pounding The first thorough treatment of the famous battle for Bastogne John C McManus author of Fire and Fortitude The Last Of Six Thomas Tiernan, 2008-11-01 Based on a true story Tiernan weaves together the life of Mrs Lydia Bixby and her sons chronicling the lives of a family under the siege of the Civil War The Bitter Road to Freedom William I.
