There really is a truth. There really is a cure to cancer and AIDS, and most of our deadly diseases. God is really here with us today, and there really is a way to bring about lasting and immediate world peace. There is a way for all the people of the world to understand and unite. There really is a way to produce free electrical energy and end the fuel and pollution and nuclear age. And there really is a way to save our planet, and I don't think we can see it from here. Let me invite you to a place where we can see all of these things that are nothing less than real, modern-day miracles, a place where we human beings are all the same as God created us. Physically, we are all identical replicas of Adam, according to science, with all of our God-given inherent positive instincts. We have chosen to separate ourselves from each other as if we were monkeys and giraffes and lions and idiots. I believe if we are ever to turn the tide of our future for our children, the future of

mankind we must come together just as human beings none better and none less because all we have to do is see the trutha
