here refers to the strange penchant of the rich to fund socialism that kills the rich and consumes wealth Garrett illustrates the strange tendency in a story of politics economic folly conspiracy ideology and violence Published in 1926 it deals directly with the real life attempt to create a Workers Paradise in the United States in North Dakota from 1918 to 1921 from Mises Institute website *SLUDGE: The Lemony-Fresh Apocalypse* Bayla Dornon,2023-03-19 The accidental release of a bio engineered organism has plunged the 21st century into total chaos Petroleum plastics and most of the men are gone Against a backdrop of competing political ecosystems the few hundred survivors of Los Angeles must now battle feral pets and rebuild society Can these few courageous survivors work together to save the remnants of human civilization Bayla Dornon has crafted a fantastic work of high drama and full on action adventure that will tickle anyone who enjoys a slightly tongue in cheek look at our current and future political state The result has a witty undertone which speaks volumes about human nature and our desperate need for survival and this plays out well alongside the more serious aspects of the plot One of the major highlights for me was the dialogue which leaped off the pages with a fresh zeal and gave the ethos and energy of each new arrival to the ensemble cast It felt nicely balanced between cinematic dialogue and how real people speak in these chaotic situations Overall I highly recommend Sludge The Lemony Fresh Apocalypse as a fun dystopian adventure that s well penned poignant and memorable long after you set it down Reviewed by K C Finn for Readers Favorite *The Poetry of my Consciousness* Stambecco Pesco,Falco Tarassaco,2019-03-31 At sixteen the young Oberto who in his adulthood with the name of Falco Tarassaco would have become the founder of Damanhur collected his poems in a book and soon after published a short story in the form of letters There was no trace then of what would have happened a few years later of his consciousness awakening or of his social artistic and spiritual adventure in Damanhur Or maybe there was How much of Falco Tarassaco as an enlightened spiritual guide is contained in these writings How many fine threads link the thoughts of young Oberto to the philosophy developed by Falco in his forty years of spiritual teachings Let s find these signs together the meditative reflections which lead us to the themes that Damanhur will later develop Let s try to give meanings to the images the words and the metaphors that seems to be just some poetical exercises Who knows out of them we could draw some valuable suggestions for ourselves and maybe following his example we could learn our first steps towards spiritual freedom
