Post-Soviet Area Agnieszka Miarka, 2023-11-24 This book provides an insightful analysis and holistic account of the process of  
the formation of de facto states in the post Soviet area Looking beyond the stereotype of mere puppet subjects the author  
explores the contemporary operation of separatist regions in Abkhazia and South Ossetia Transnistria Nagorno Karabakh and  
Donbas to understand the motives and mechanisms for their emergence and their instrumentalization in the politics of great  
powers Using policy documents quantitative data and political statements she explores the historical origins of the area and  
its operation during the Soviet era armed separatist conflicts and their implications and the actions of the United Nations the  
Organization for Security and Co operation in Europe the European Union the Commonwealth of Independent States and the  
role of powers such as the Russian Federation and the US The research contributes to the debate on the significance of de  
facto states for regional security and their potential for national identity building It will be of interest to scholars and
