Seven Centuries of Irish Learning, 1000-1700 Brian Ó Cuív, 1971      *Seven Centuries of Irish Learning, 1000-1700*  
/ecEdited by Brian O Cuiv ,1971      Seven Centuries of Irish Learning, 1000-1700. (Léann Na Gaeilge in Éirinn.) [By Various Authors.] Edited by B. Ó Cuív Brian Ó CUÍV, 1961      *Ireland and Medicine in the Seventeenth and Eighteenth Centuries*  
James Kelly, 2016-05-06 The story of early modern medicine with its extremes of scientific brilliance and barbaric practice has long held a fascination for scholars The great discoveries of Harvey and Jenner sit incongruously with the persistence of Galenic theory superstition and blood letting Yet despite continued research into the period as a whole most work has focussed on the metropolitan centres of England Scotland and France ignoring the huge range of national and regional practice This collection aims to go some way to rectifying this situation providing an exploration of the changes and developments in medicine as practised in Ireland and by Irish physicians studying and working abroad during the seventeenth and eighteenth centuries Bringing together research undertaken into the neglected area of Irish medical and social history across a variety of disciplines including history of medicine Colonial Latin American history Irish and French history it builds upon ground breaking work recently published by several of the contributors thereby augmenting our understanding of the role of medicine within early modern Irish society and its broader scientific and intellectual networks By addressing fundamental issues that reach beyond the medical institutions the collection expands our understanding of Irish medicine and throws new light on medical practices and the broader cultural and social issues of early modern Ireland Europe and Latin America Taking a variety of approaches and sources ranging from the use of epistolary exchange to the study of medical receipt books legislative practice to belief in miracles local professionalization to international networks each essay offers a fascinating insight into a still largely neglected area Furthermore the collection argues for the importance of widening current research to consider the importance and impact of early Irish medical traditions networks and practices and their interaction with related issues such as politics gender economic demand and religious belief      *Cultural Exchange and Identity in Late Medieval Ireland* Sparky Booker, 2018-03-22 Examines the complex interactions between English and Irish neighbours in the four obedient shires and how this shaped English identity      *A New History of Ireland, Volume III* T. W. Moody, F. X. Martin, F. J. Byrne, 2009-03-12 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day The third volume opens with a character study of early modern Ireland and a panoramic survey of Ireland in 1534 followed by twelve chapters of narrative history There are further chapters on the economy the coinage languages and literature and the Irish abroad Two surveys Land and People c 1600 and c 1685 are included      *Medieval Manuscripts in Transition* Geert H. M. Claassens, Werner Verbeke, 2006 In Medieval Manuscripts in Transition various scholars investigate the ways in which the

study of manuscripts can contribute to interpretation or provide insight      *A New History of Ireland, Volume II* Theodore William Moody, Art Cosgrove, Francis X. Martin, Francis John Byrne, 2008-11-06 A wide range of national and international scholars in every field of study have produced studies of the archaeology art culture geography geology history language law literature music and related topics to produce a comprehensive and authoritative account of Irish history      **Last Things** Caroline Walker Bynum, Paul Freedman, 2012-10-19 When the medievals spoke of last things they were sometimes referring to events such as the millennium or the appearance of the Antichrist that would come to all of humanity or at the end of time But they also meant the last things that would come to each individual separately not just the place Heaven Hell or Purgatory to which their souls would go but also the accounting the calling to reckoning that would come at the end of life At different periods in the Middle Ages one or the other of these sorts of last things tended to be dominant but both coexisted throughout In *Last Things* Caroline Walker Bynum and Paul Freedman bring together eleven essays that focus on the competing eschatologies of the Middle Ages and on the ways in which they expose different sensibilities different theories of the human person and very different understandings of the body of time of the end Exploring such themes as the significance of dying and the afterlife apocalyptic time and the eschatological imagination each essay in the volume enriches our understanding of the eschatological awarenesses of the European Middle Ages      **A New History of Ireland, Volume II** Art Cosgrove, 2008-11-06 *A New History of Ireland* is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume II opens with a character study of medieval Ireland and a panoramic view of the country c 1169 followed by nineteen chapters of narrative history with a survey of Land and People c 1300 There are further chapters on Gaelic and colonial society economy and trade literature in Irish French and English architecture and sculpture manuscripts and illuminations and coinage

**Encyclopedia of Literary Translation Into English: A-L** O. Classe, 2000      **The Cambridge History of Medieval English Literature** David Wallace, 2002-04-25 This was the first full scale history of medieval English literature for nearly a century Thirty three distinguished contributors offer a collaborative account of literature composed or transmitted in England Wales Ireland and Scotland between the Norman conquest and the death of Henry VIII in 1547 The volume has five sections After the Norman Conquest Writing in the British Isles Institutional Productions After the Black Death and Before the Reformation It provides information on a vast range of literary texts and the conditions of their production and reception which will serve both specialists and general readers and also contains a chronology full bibliography and a detailed index This book offers an extensive and vibrant account of the medieval literatures so drastically reconfigured in Tudor England It will thus prove essential reading for scholars of the Renaissance as well as medievalists and for historians as well as literary specialists      Routledge Revivals: Medieval Ireland (2005) Sean Duffy, 2017-07-05 Through violent incursions by the Vikings

and the spread of Christianity medieval Ireland maintained a distinctive Gaelic identity From the sacred site of Tara to the manuscript illuminations in the Book of Kells Anglo Irish relations to the Connachta dynasty Ireland during the middle ages was a rich and vivid culture First published in 2005 Medieval Ireland An Encyclopedia brings together in one authoritative resource the multiple facets of life in Ireland before and after the Anglo Norman invasion of 1169 from the sixth to sixteenth century Multidisciplinary in coverage this A Z reference work provides information on historical events economics politics the arts religion intellectual history and many other aspects of the period Written by the world s leading scholars on the subject this highly accessible reference work will be of key interest to students researchers and general readers alike

**The Oxford Illustrated History of Ireland** R. F. Foster, 2000-11-09 A history of Ireland from prehistoric times to the present Includes 200 illustrations Early Modern Ireland, 1534-1691 Theodore William Moody, Francis Xavier Martin, Francis John Byrne, 1991 The third volume of A New History of Ireland opens with a character study of early modern Ireland and a panoramic survey of Ireland in 1534 followed by twelve chapters of narrative history There are further chapters on the economy the coinage languages and literature and the Irish abroad A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to t Late Medieval Irish Law Manuscripts: A Reappraisal of Methodology and Content Rowena Finnane, 2023-09-25 Late Medieval Irish Law Manuscripts A Reappraisal of Methodology and Context challenges the long held view that Irish law manuscripts produced in the secular law schools of the late medieval period are only the work of antiquarians This book examines the texts in their political social and cultural contexts particularly in relation to the Irish revival of the fourteenth century onwards Finnane s examination of the manuscripts includes legal interpretation and the role of glossing and commenting on older canonical texts in establishing the authority of those texts in the present the use of the manuscripts in legal education the use of the past in providing legitimacy and authority particularly in a legal context Finnane argues that the manuscripts are the work of jurists authorising a revived legal system connected to a re emergent Irish political elite after more than a century of Anglo Norman invasion and rule **A History of Verse Translation from the Irish, 1789-1897** Robert Welch, 1988 This study surveys the course of verse translation from the Irish starting with the notorious Macpherson controversy and ending with the publication of George Sigerson s Bards of the Gael and Gall in 1897 Professor Welch considers some of the problems and challenges relating to the translation of Irish verse into English in the context of translation theory and ideas about cultural differentiation Throughout the book we see again and again the dilemma of poets who must be faithful to the spirit or the form of Irish verse but who rarely have the ability to capture both The relationship between Irish and English in the nineteenth century was necessarily a critical one and the translators were often working at the centre of the crisis whether they were aware of it or not As Celticism evolved into nationalism and heroic idealism these

influences can be clearly seen in the development of verse translation from the Irish *Literacy and Orality in Eighteenth-Century Irish Song* Julie Henigan, 2015-10-06 Focusing on several distinct genres of eighteenth century Irish song Henigan demonstrates in each case that the interaction between the elite and vernacular the written and oral is pervasive and characteristic of the Irish song tradition to the present day
