Seven Words For Three Hours:

The Seven Words Spoken on the Cross St Robert Bellarmine, 2024-04-16 Behold me now for the fourth year preparing for my death Having withdrawn from the business of the world to a place of repose I give myself up to the meditation of the Sacred Scriptures and to writing the thoughts that occur to me in my meditations so that if I am no longer able to be of use by word of mouth or the composition of voluminous works I may at least be of some use to my brethren by these pious little books Whilst then I was reflecting as to what would be the most eligible subject both to prepare me to die well and to assist others to live well the Death of our Lord occurred to me together with the last sermon which the Redeemer of the world preached from the Cross as from an elevated pulpit to the human race *The Seven Last Words of Jesus on the Cross* Kyewoon Choi, 2024-02-15 As a believer I've always been deeply moved by Jesus' final words on the cross each carrying profound meaning and significance for His followers For example Father forgive them Today you will be with Me in Paradise My God My God why have You forsaken Me and more These seven statements reveal His forgiveness compassion suffering fulfillment of His mission and ultimate trust in the Father The Folly of the Cross Richard Viladesau, 2018-05-01 The Folly of the Cross is the fourth book in Richard Viladesau's series examining the aesthetics and theology of the cross through Christian history Previous volumes have brought the story up through the Baroque era This new book examines the reception of the message of the cross from the European Enlightenment to the turn of the twentieth century The opening chapters set the stage in the transition from the Baroque to the Classical eras describing the changing intellectual and cultural paradigms of the time Viladesau examines the theology of the cross in the eighteenth and nineteenth centuries and the aesthetic mediation of the cross in music and the visual arts He shows how in the post Enlightenment era the aesthetic treatment of the cross widely replaced the dogmatic treatment and how this thought was translated into popular spirituality piety and devotion The Folly of the Cross shows how classical theology responded to the critiques of modern science history Biblical scholarship and philosophy and how both classical and modern theology served as the occasions for new forms of representation of Christ's passion in the arts and music *Free Church Hymn Book* Free Church of Scotland.
