SETBACKS FOR sophomores

Being a sophomore wasn't all peaches and cream. There were many benefits for the juniors and seniors that sophomores did not have. Sophomores were the lowest on the ladder of school rank. Their setbacks all started when they first enrolled in Park High. Choices of classes depended on what classes were left over by the juniors and seniors. On orientation day, sophomores found out what type of problems they were in for. They received the lockers

(28,1904) that were in the far corners of the school. Some packed lunches to keep from starvation on the way to their lockers during the day. They had to take all their books with them to avoid going back to their lockers. Sophomores also found out what problems could occur when they couldn't drive and get to places easily. The weekends meant time to stay home and wait until the day they could receive their licenses. School games and social activities
