Severe Tire Damage Barbara Bitela, 2002-11-01 , **The Druperman Tapes** John Goodger, 2025-08-22 Gambling fans will relish the behind the scenes look at Vegas with a solid action movie finale Publishers Weekly Druperman the head of a confidential cooperative of the most powerful casinos in Las Vegas has received a videotape threatening violence against the cooperative s members unless a ransom is paid The criminals identify themselves only by a code name As the casino owners dig in their heels and refuse to pay the stakes get higher The head of security at the city s top casino a former LVPD detective is determined to find the perpetrators putting himself and his new love at risk in the process Understanding Men's Passages Gail Sheehy, 1999-05-04 Her stunning bestsellers *Passages* and *New Passages* brilliantly mapped the changes we live through from youth to maturity Now Gail Sheehy guides contemporary men through the turbulent challenges and surprising pleasures that begin at forty As a man crosses that threshold he is bound to ask midlife s most troubling question Now what Work anxieties concerns over sexual potency marital and family stress issues of power all take on new urgency as men contemplate the decades ahead But as Gail Sheehy reveals in this major new book midlife is precisely the period when men are most likely to reinvent themselves and become masters of their fate In *Understanding Men s Passages* Sheehy offers all men and the women in their lives an essential guide to self discovery Hundreds of bold imaginative men celebrities as well as everyday heroes share here their most intimate desires deepest fears and most fervent cravings for renewal Decade by decade Sheehy uncovers the real issues facing men today finding new passion and purpose to invigorate the second half of their lives dealing with menopause surviving job change enjoying post nesting zest defeating depression and learning what keeps a man young Informative and inspiring grounded in fact and full of fascinating life stories *Understanding Men s Passages* is a landmark that will take its place beside Gail Sheehy s epoch making *Passages* and *New Passages* The Philosopher of Palo Alto John Tinnell, 2023-05-25 A compelling biography of Mark Weiser a pioneering innovator whose legacy looms over the tech industry s quest to connect everything and who hoped for something better When developers and critics trace the roots of today s Internet of Things our smart gadgets and smart cities they may single out the same creative source Mark Weiser 1952-99 the first chief technology officer at Xerox PARC and the so called father of ubiquitous computing But Weiser who died young at age 46 in 1999 would be heartbroken if he had lived to see the ways we use technology today As John Tinnell shows in this thought provoking narrative Weiser was an outlier in Silicon Valley A computer scientist whose first love was philosophy he relished debates about the machine s ultimate purpose Good technology Weiser argued should not mine our experiences for saleable data or demand our attention rather it should quietly boost our intuition as we move through the world Informed by deep archival research and interviews with Weiser s family and colleagues *The Philosopher of Palo Alto* chronicles Weiser s struggle to initiate a new era of computing Working in the shadows of the dot com boom Weiser and his collaborators made Xerox PARC headquarters the site of a grand experiment

Throughout the building they embedded software into all sorts of objects coffeepots pens energy systems ID badges imbuing them with interactive features Their push to integrate the digital and the physical soon caught on Microsoft s Bill Gates flagged Weiser s Scientific American article The Computer for the 21st Century as a must read Yet as more tech leaders warmed to his vision Weiser grew alarmed about where they wished to take it In this fascinating story of an innovator and a big idea Tinnell crafts a poignant and critical history of today s Internet of Things At the heart of the narrative is Weiser s desire for deeper connection which animated his life and inspired his notion of what technology at its best could be

The Bhagavad Gita for Daily Living, Volume 3 Eknath Easwaran, 2020-11-10 A comprehensive manual for living a spiritual life based on a verse by verse commentary on India s timeless scripture from the author of its best selling translation This ebook includes all three volumes in this series The Bhagavad Gita is set on the battlefield of an apocalyptic war between good and evil Faced with a dire moral dilemma the warrior prince Arjuna turns in anguish to his spiritual guide Sri Krishna for answers to the fundamental questions of life Easwaran points out that Arjuna s crisis is acutely modern The Gita s battlefield is the struggle for self mastery that every human being must wage Arjuna represents each of us and Sri Krishna is the Lord instructing us in eighteen chapters of lofty wisdom as we face the social environmental and global challenges that threaten our world today Easwaran is a spiritual teacher and author of deep insight and warmth His verse by verse commentary interprets the Gita s teachings for modern readers explaining the Sanskrit concepts and philosophy and applying them with practicality wisdom and humor to every aspect of our work our relationships and our lives With everyday anecdotes stories and examples he shows that the changes we long to see in the world start with the transformation of our own consciousness The practical exercises recommended by Easwaran to achieve transformation are part of a spiritual program he developed for his own life They are accessible to people from all backgrounds and cultures Urging us to adopt a higher image of the human being he assures us that peace and unity are within reach Each volume of this series covers six chapters of the Gita Each may be read on its own but all three volumes together form an in depth verse by verse explanation of this ancient scripture and its relevance today Included are instructions in Easwaran s universal eight point program of passage meditation

Volume 1 The first six chapters of the Gita explore the concept of the innermost Self and source of wisdom in each of us Easwaran explains how we can begin to transform ourselves even as householders engaged in busy lives Volume 2 The next six chapters of the Gita go beyond the individual Self to explore the Supreme Reality underlying all creation Easwaran builds a bridge across the seeming divide between scientific knowledge and spiritual wisdom and explains how the concept of the unity of life can help us in all our relationships Volume 3 The final six chapters put forth an urgent appeal for us to begin to see that all of us are one to make the connection between the Self within and the Reality underlying all creation Global in scope the emphasis is on what we can do to make a difference to heal our environment and establish peace in the world Easwaran s commentary is for all students of the Gita whatever their background and for anyone who is trying to find a path
