Sex And The Perfect Lover Tao Tantra And The Kama Sutra:

Sex And The Perfect Lover Mabel Iam, Sexual desire is one of the most powerful forces in our lives When repressed or expressed inappropriately it can create problems but when celebrated in a loving relationship it can take you to new heights of sexual ecstasy and emotional fulfillment Sex and the Perfect Lover is a guide for those who wish to strengthen sexual relationships and discover a source of power pleasure and intimacy like no other The book explores the magic and power of sacred sexuality through philosophies and practices both ancient and modern *The Book of Love* James McConnachie, 2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived **I Love You.
