Sex and Thugs and Rock 'n' Roll Billy Thorpe,1996 Reflections by rock musician Billy Thorpe Details his experiences as a teenager living and working in Kings Cross Sydney during 1963 and 1964 Describes the formation of the musical group The 1960s in Australia Shirleene Robinson, Julie The Aztecs and their rapid rise in popularity during this time Ustinoff,2012-01-17 The 1960s is one of the most heavily mythologised decades of the twentieth century More than 50 years on the era continues to capture the public s imagination The 1960s in Australia People Power and Politics recognises the complexity of social and cultural change by presenting a broad range of contributions that acknowledge an often overlooked fact that not everyone experienced the 1960s in the same way The diversity of the time is confirmed by contributions from a number of expert Australian historians who each provide an insight into Australia in the 1960s offering an understanding of the social realities of this period as well as the ebbs and flows of transnational influence This collection includes a featured contribution by prominent Australian historian Raymond Evans who provides a personal insight into the 1960s Other contributors also place the lived experience at the centre of their analysis by considering the growth of modern flats the impact of cosmopolitanism and sex and sexuality in the Sixties The book also highlights the way power was deployed and deconstructed during this era by considering the psychiatric profession the agenda of the counter culture and the role that women's magazines played in reinforcing dominant gender paradigms. The complex politics of the era are also explored through the transnational impact of figures such as Anthony Crosland the impact of the Vietnam War and the multiplicity of motivations behind the anti war protest and the Aboriginal rights movement of the era The 1960s in Australia Power People and Politics is a fresh focus on a significant time in Australia s history It brings together a collection of innovative and engaging explorations into the Australian Sixties which underline the complexity of the time Bizarrism Vol 1 Chris Mikul, 2016-09-22 Bizarrism is a collection of strange but true tales featuring a grand parade of eccentrics visionaries crackpots cult leaders artists theorists and outsiders of every stripe First published in 1999 this new fully revised and expanded edition revisits a host of unique individuals including William Chidley who believed that when it comes to sex we ve all been making a terrible mistake Arthur Cravan who combined poetry with boxing Slim Gaillard jazz singer and dispenser of vout William Lindsay Gresham author of the classic noir novel Nightmare Alley Rosaleen Norton Australia s most notorious witch Harry Crosby poet sun worshipper and the best looking corpse of 1929 Reginal Levgiac author of the mysterious pamphlet Drugs Virus Germs In writing their stories Mikul does not judge but instead celebrates these characters for their fabulous weirdness For him they are the beacons of shining if erratic brilliance in a world of sensible conformity.
