How to Stay in Love James J. Sexton, 2018-04-10 Hard hitting divorce lawyer James J Sexton shares his insights and wisdom to help you reverse engineer a healthy fulfilling romantic relationship with How to Stay in Love With two decades on the front lines of divorce Sexton has seen what makes formerly happy couples fall out of love and lose the plot of the story they were writing together Now he reveals all of the what not to dos for couples who want to build and consistently work to preserve a lasting loving relationship Sexton tells the unvarnished truth about love and marriage diving straight into the most common issues that often arise from simple communication problems and relationships that develop by default instead of design Though he deals constantly with the heartbreak of others he still believes in romance and the transformative power of love This book is his opportunity to use what he has learned from the mistakes of his clients to help individuals and couples find and preserve lasting connection Previously published as If You re In My Office It s Already Too Late **Bang** Siegfried Eckleben, 2004-12 BANG is an eyewitness account of the evolution of the universe from the Big Bang to the present This book is really twofold On the one hand the popular science part tells the story of the universe from the BigBang through the formation of the solar system to the present state of planet Earth on the other hand the more philosophic part recounts the peculiarities of humans and their main current problems suggesting possible solutions all from a detached Quark s point of view The chapters can be read in numerical sequence which also reflects the chronological sequence but for ease of reading chapter 4 is printed first It describes the main differences between humans and other animals including their abnormal sexual behaviour The book makes easy bedtime reading **How to Tap Your Hidden Sources of Energy** Elmer

Wheeler, 2016-11-11 EVERYONE HAS A PLIMSOLL MARK The white line you see on cargo ships and many ocean liners is called the Plimsoll Mark and tells when the ship is being overloaded If a load is too heavy it causes the ship to sink past its white line and that ship is in a dangerous state People have Plimsoll Marks beyond which nerves crack and pep vitality vim and vigor are drowned A person who has sunk over his own Plimsoll Mark also is in danger The favorite expression of Modern Man is I m bushed Of Modern Woman it is I m worn to a frazzle Had each been aware of his own Plimsoll Mark neither would have had use for such common expressions The purpose of this book is to help people find their Plimsoll Marks in life and in so doing forestall premature old age needless worry fatigue lack of pep vitality and vigor to carry on By following a few common sense rules plus some new scientific discoveries anyone can learn how to remain above his personal Plimsoll Mark and prolong his life s span and add happiness and success As you will see it is a simple matter to calculate and determine your own Plimsoll Mark the point beyond which you should never sink Elmer Wheeler **The Ten Most**

Troublesome Teen-Age Problems Lawrence Bauman, 1998 Coping with the teen years can be painful and frustrating for parents and child alike Many parents of teens discover that their parenting skills no longer work that their love and concern don't seem to register with their child If you are worried that your teenager may be headed down the wrong path or if you just want some sensible guidance on how to cope with the challenges of the teen years The Ten Most Troublesome Teen age Problems offers hope insight and practical proven solutions Psychologist Lawrence Bauman shares his insights into the common problems parents encounter and shows what you can do to solve them He explains how your teen's troubling behavior is part of a natural metamorphosis into adulthood and he gives useful advice on guiding that change in a positive direction He also shows how you can both resolve specific conflicts with your child and build a loving trusting mutually respectful relationship
