Though discussing sexual material in novels aimed at the young adult market may make some individuals blush the authors of such fiction often seek to represent a very real component in the lives of many teens Unfortunately authentic and teen relatable information on healthy adolescent sexuality is not readily available and sex education classes have had a minimal effect on positive sexual identity development Consequently young adult literature that contains sexual elements can play a critical role in addressing the questions and concerns of teens In *Sexual Content in Young Adult Fiction Reading between the Sheets* Bryan Gillis and Joanna Simpson examine sexual material in canonical historical dystopian romantic and realistic contemporary fiction for teens The authors begin with an exploration of sexual identity development and discuss the constructive influence that realistic representations of teen sexual behavior can have on that development The authors provide a myriad of texts and examples that will help parents teachers and librarians better understand the positive role that sexual content in YA fiction can play in the socio emotional and academic development of adolescents The book concludes with an overview and analysis of censorship in the world of young adult fiction In addition to providing a survey of sexual content in young adult literature this book can help inspire adults to facilitate effective and responsible discussions about young adult fiction that contains sexual material Featuring a novels cited and works cited bibliography *Sexual Content in Young Adult Fiction* is an important resource that parents and educators will find particularly valuable

Mom, sex is NO big deal! Sharon Hersh, 2010-07-28 But Mom it s not the same as when you were a teenager Your daughter is right Never before have teenage girls been so inundated with the idea that sex is a natural part of teenage relationships The media the Internet and your daughter s peers reinforce this myth daily In fact the majority of teenage girls

will experiment with sex And never before has the price tag of teen sexual behavior been so high disease depression and a distorted view of self This is a book of hope and empowerment The good news is that you can use the challenges your daughter faces today as catalysts to help her develop a sacred view of sex and of herself Your daughter will make critical decisions during her adolescence and those decisions will have lifelong consequences But you as a mother can have enormous influence over your daughter if you are prepared Mom Sex Is NO Big Deal will arm you with information and strategies to help your daughter arrive at a place of wholeness as she makes decisions about how she will behave sexually during the most vulnerable period of her life *Naughty Girls and Gay Male Romance/Porn: Slash Fiction, Boys' Love Manga, and Other Works by Female "Cross-Voyeurs" in the U.S. Academic Discourses* Carola Katharina Bauer, 2013-05-17 Despite the fact that there actually exists a large number of pornographic and romantic texts about male homosexuality consumed and produced by American women since the 1970s the abnormality of those female cross voyeurs is constantly underlined in U S popular and academic culture As the astonished public reactions in the face of a largely female heterosexual audience of Brokeback Mountain 2005 and Queer as Folk 2000 2005 have shown a woman s erotic romantic interest in male homosexuality is definitely not as accepted as its male counterpart men consuming lesbian porn In the academic publications on female cross voyeurs the application of double standards with regard to male female cross voyeurism is even more obvious As Karen Hellekson and Kristina Busse note in their Introduction to Fan Fiction and Fan Communities in the Internet 2006 slash fiction fan fiction about male homosexual relationships mainly produced and consumed by women has stood in the center of fan fiction studies so far despite being merely a subgenre of it The reason for this seems to be an urge to explain the underlying motivations for the fascination of women with m m romance or pornography within the academic discourse a trend which differs completely from the extremely under theorized complex of men interested in lesbians It is this obvious influence of conventional gender stereotypes on the perception of these phenomena that provokes me to examine the way in which the works of female cross voyeurism and their consumers producers are conceptualized in the U S scholarly accounts In many ways this thesis explores unknown territories and respectively tries to take a closer look at academic problems that have not been adequately addressed yet *Sex-Wise Parent* Janet Rosenzweig, 2012-03-08 If your kids aren t learning about sex from you what are they learning about sex and who is teaching them Having the talk with your child does not have to be a terrifying and awkward event Armed with The Sex Wise Parent Dr Janet Rosenzweig s groundbreaking book you may find you never have to have the talk Dr Rosenzweig shows you how you can help protect your children from sexual abuse trauma and bullying through your everyday interaction with them She ll walk you through the steps you can take to combine your own family s values with age appropriate information for children at all stages of development And she ll show you how to do it in a way that will improve the trust and communication between you and your child Dr Rosenzweig applies her decades of experience in child abuse prevention

sexuality education and family service to help you identify the real threats to your children's safety and protect them from becoming victims of sexual misinformation or exploitation at any age From choosing a child's first daycare to meeting the multimedia challenges of adolescence The Sex Wise Parent will coach you to raise sexually safe and healthy sons and daughters *The Literature of Lesbianism* Terry Castle, 2003 Since the Renaissance countless writers have been magnetized by the notion of love between women This anthology registers that fact in as encompassing and enlightening a way as possible Castle explores the emergence and transformation of the idea of lesbianism *Lacan on Love* Bruce Fink, 2017-09-05 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan's paradoxical claim that love is giving what you don't have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don't have This first ever commentary on Lacan's Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan's views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions *The Socialization of the African American Child* Sekou Clincy, 2010-08 Today we have occurrences that are unprecedented in the history of America a vast divide between the rich and poor irreversible environmental damage over half of African American children living in single parent households and high incarceration rates among African American young people When oppressed folk are driven into desperate channels criminal activity is likely to follow Thus it is imperative to take a good look at what black people are doing and not doing as parents or immediate caregivers which ultimately will determine the future of the black race It is equally imperative to study the past Indeed when a people don't know who they are their history they perish This fact should motivate us to move in unparalleled directions toward survival Back cover *Childhood* Shannon Burns, 2022-10-05 Things may have been good for a while but it didn't last they argued fiercely and he left Weeks later she tracked him down and said she was pregnant So he moved back in with her and they prepared themselves for parenthood Eleven months later I was born By the time my father discovered the deception it was too late In this arresting memoir Shannon Burns recalls a childhood spent bouncing between dysfunctional homes in impoverished suburbs between families unwilling or unable to care for him Aged nine he beats his

head against the pillow to get himself to sleep Aged ten he knows his mother will never be able to look after him he is alone and can trust no one Five years later he is working in a recycling centre hard labour poorly paid yet reading offers hope He begins reciting lines from Greek lyric poets Keats Whitman speeches by Martin Luther King while sifting through the filthy cans and bottles An affair with the mother of a schoolfriend eventually offers a way out a path to a life utterly unlike the one he was born into Shannon Burns is a writer critic and academic from Adelaide His work has appeared in the Monthly Meanjin Australian Book Review and the Sydney Review of Books Childhood reads like Gorky and Tolstoy not nudging but shoving the reader headfirst towards hard won epiphanies with a brutal yet transcendent urgency Alice Pung Childhood is about more than reliving trauma it shows us how literature can offer a pathway to survival if not redemption Shannon Burns demonstrates how to soldier on when all hope and dignity are lost Tyson Yunkaporta *Frog* Silvia Sommer, 2012-09-28 Im not addicted to drugs or alcohol and never have been Im healing from codependency and love addiction What I discovered is that many of my behaviors were not that different than a person who is addicted to drugs or alcohol I put myself in danger sold my soul and abandoned myself emotionally again and again From the preface by Silvia Sommer In this honest and raw memoir Silvia brings to light her personal truths and intimate experiences in order to shed light and understanding to anyone who has ever struggled with a difficult relationship Her inspirational writing will reach out to your core and help you discover and embrace your authentic self

Modern Love Marcus Collins, 2006-06 Private life has altered beyond all recognition during the past one hundred years Britain in 1900 was emerging from a Victorian era in which prudery patriarchal authority and pettifogging rules of etiquette were widely perceived to have circumscribed relations between men and women The twentieth century witnessed a reaction against this system of separate spheres spearheaded by reformers eager that the sexes become each other's equals and intimates Modern Love traces the trajectory of this new model of personal relationships over the course of the twentieth century from its emergence out of the crucible of the suffrage campaign through its reshaping by the women's liberation movement It explores its impact on smut merchants warring couples and teenagers as well as its reception by such diverse figures as Bertrand Russell and Germaine Greer It draws on sources as varied as suffragette propaganda banned sex manuals marriage counseling literature and pin up magazines Marcus Collins teaches modern British history at Emory University

Love to Hate Jody Roy, 2002-08-27 Why is the simple impulsive question we ask when

confronted by horrible acts of hatred and violence Why do students shoot fellow students or employees their coworkers Why do mothers drown their children or husbands stalk and kill their wives Love to Hate challenges us to turn this question upon ourselves at a deeper level Why as a culture are we so fascinated by these acts Why do we bestow celebrity on the perpetrators while allowing the victims to fade into a second death of obscurity Are we as Pope John Paul II famously accused a culture of death And if so how can we break free of this unacknowledged aspect of the cycle of violence Unlike those who point solely to media imagery splintered families or lax gun control laws in search of the roots of America s endemic violence Jody M Roy suggests that we all must be held responsible She argues that we reveal our love affair with hatred and violence in the ways we think and speak in our daily lives and in our popular culture The very words we use function as building blocks of callousness and contempt betraying our immersion in subtexts of violence and hatred These subtexts are further revealed in our complex attitudes toward street gangs school shooters serial killers and hate groups and the paroxysms of violence they unleash As spectators driven by our impulse to watch we become an integral part of the equation of violence In the book s final section Freeing Ourselves of Our Obsession with Hatred and Violence Roy offers practical steps we can take as parents consumers and voters to free ourselves from linguistic and cultural complicity and to help create in America a culture of life
