## **Sex Role Attitudes And Cultural Change:**

Sex Role Attitudes and Cultural Change I. Gross, J. Downing, A. D'Heurle, 2012-12-06 The initial impetus for this volume was the occasion of the World Congress for Mental Health held in Vancouver British Columbia in 1977 The theme of that congress was priorities in mental health The keynote speaker Mrs Rosalynn Carter wife of the then President of the United States focused attention on the necessity for an international perspective in understanding priorities for mental health Without exception subsequent speakers echoed the sentiments Mrs Carter expressed that the first priority for mental health was that of children For many participants the concern for children was translated not only into techniques for treatment but more importantly into broadening the approaches to prevention One theme emerged which has begun to be addressed around the world that of the cultural and developmental implications of sex role stereotyping for mental health This topic proved to be the touchstone for many issues related both directly and indirectly to mental health Among the most prominent concerns expressed were those for the effects on careers the learning environment and relations between the sexes which stem from stereotyped attitudes concerning appropriate sex role behavior The consensus of the participants was to urge the directorate of the congress to continue this topic at the next World Congress This was a particularly appropriate content for the next World Congress since 1979 was the International Year of the Child *Sex Role Attitudes and Cultural Change* Ira Gross, J. Downing, A. D'Heurle, 1982-02-28 Resources in Women's Educational Equity, 1978 **Women and Employment** Jacqueline L. Scott, Shirley Dex, Heather Joshi, 2009-01-01 An informative and important volume Johanna Kumlin *European Sociological Review* This collection further contributes to our awareness of the complicated intersection of work and family life for women and men and to a few of the socio economic factors which serve as impediments to its synchronization It is well written carefully researched and rather detailed in its analysis Susan Cody *Sex Roles* This excellent collection deserves to be read and from cover to cover all the contributions focus on the UK situation over the past 25 years although some offer comparative exemplars and analysis This national focus makes this collection an essential resource for those working in the UK and Europe But the general empirical excellence of the collection as well as the theoretical insights generated in some of the chapters make this an essential collection for anyone interested in gender and work Lesley Patterson *Gender in Management An International Journal* There cannot be a richer collection than this on the topic of women their employment conditions and how they balance home and work life a valuable resource that can be returned to for hard statistics and proven solutions you can use in your own policy creation *Equality and Diversity* This collection will be an invaluable resource for anyone concerned with changes in women's employment over the last twenty five years Authoritative and up to date it is simultaneously wide ranging and focused analytical and policy oriented The editors have brought together the knowledge of many renowned experts to reflect on labour market developments and gendered employment Attention to transitions across the life course is a particularly welcome feature of the book as is the linking of

employment studies with family research Miriam Glucksmann University of Essex UK How is women s employment shaped by family and domestic responsibilities This book written by leading experts in the field examines twenty five years of change in women s employment and addresses the challenges facing women today The authors offer an innovative analysis of how global changes including new migration processes educational expansion transnational labour markets technological advances and the global economy affect women s labour market experiences They tackle issues relevant for future change including gender inequalities and ethnic diversities and confront contentious questions such as what is meant by work life balance The book provides new empirical research that both advances our understanding of the challenges posed by women s employment in our changing society and draws out the policy lessons that could improve economic and social wellbeing Providing dynamic analysis of employment family inter relationships Women and Employment will be of great relevance to social scientists and academics interested in employment and family as well as policymakers concerned with changing women s employment

**Resources in Education** ,1998      The Cultural Diversity of European Unity Wil Arts,Jacques Hageaars,Loek Halman,2003-12-01 This volume deals with the values of the people in contemporary Europe Using the survey data from the European Values Study a number of basic values and the dynamics of value change are explored from an economic political social and religious moral point of view Part 1 focuses on Europe s values from an empirical analytical and a historical point of view and also presents the views of three eminent Europeans Part 2 deals with in depths analyses of European values based on the empirical data set covering basic orientations in most of the domains of human life Part 3 contains reflections on the empirical findings the value of value research the hidden assumptions behind it and the deeper layers of Europe s position and developments

**Research in Education** ,1974      **Sex Role Attitudes of College Students in India** V. V. Prakasa Rao,V. Nandini Rao,1984 This study examines the attitudes of male and female students toward the wife mother and father roles Data were collected from a sample of 210 university graduate students in Andhra Pradesh India in 1982 Fourteen independent variables are correlated with the three dependent variables for males and females On a 20 item sex role attitude scale 12 statements elicited traditional attitudes while six elicited liberal attitudes from the sample In general the students expressed traditional attitudes toward the wife role and the father role Females attitudes toward the mother role were more liberal than those of males Stepwise Multiple Regression analysis reveals that for females father s education was the significant predictor in explaining the variance in the wife role attitudes and the mother role attitudes while caste was the salient variable in explaining the father role attitude variance For males number of brothers explained the greatest variance in the mother role attitudes In terms of the amount of variance and the number of predictors explaining the variance in the three set role attitudes the independent variables did not explain the variance as expected

*Sex-role Attitude and Marital Adjustment Among Iranian Immigrant Women in the United States* Mariam Keramati,1994      **Resources in Women's Educational Equity: Special Issue** ,1979      **Roles of Women in Muslim**

**Countries** Man Singh Das,1991 The present volume contains original scientific articles about the changing roles of women in developing countries of the Middle East He also identifies directions of change in Women s roles in Muslim countries This collection of articles will be valuable in comparative study of women and other countries In particular sociologists and other social scientist in western and non western countries are more likely to benefit from these changing roles of Muslim women

**The Changing Position of Women in Family and Society** Lupri,2022-03-28      **The Handbook of Culture and Psychology** David Matsumoto,Hyisung C. Hwang,2019-05-22 Cultural and cross cultural psychology and research continue to make strong contributions to mainstream psychology Researchers and theoreticians from all parts of the globe increasingly contribute to this endeavor enabling cultural and cross cultural psychology and research to be one of the most exciting areas of study in psychology This book describes the continued evolution and advancement of the main research domains of cultural and cross cultural psychology Renowned authors not only review the state of the art in their respective fields but also describe the challenges and opportunities that their respective research domains face in the future New chapters cover the teaching of a culturally informed psychology and the increasing changes and advancements of cultures and societies around the world and their impact on individual psychologies This volume covers standard areas of well studied concepts such as development cognition emotion personality psychopathology psychotherapy and acculturation as well as emerging areas such as multicultural identities cultural neuroscience and religion It is a must read for all culturally informed scholars both beginning and experienced      Women and Deviance: Issues in Social Conflict and Change Nanette J.

Davis,Jone M. Keith,2015-12-22 This book first published in 1984 is a selective annotated bibliography on women and deviance that includes historical cross cultural sociological psychological political legal philosophical and social policy perspectives This title is concerned with the origins change conflict and consequences of deviant behaviour and women s adaptation to their changing roles It encompasses monographs journal articles books and government documents in English This title will be of particular interest to students of sociology and criminology      *Sociological Abstracts* Leo P. Chall,1999 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers      **Big**

**Data and Social Computing** Xiaofeng Meng,Zhidong Cao,Suran Wu,Yang Chen,Xiu-Xiu Zhan,2024-08-01 This book constitutes the refereed proceedings of the 9th China National Conference on Big Data and Social Computing BDSC 2024 held in Harbin China during August 8 10 2024 The 28 full papers presented in this volume were carefully reviewed and selected from a total of 141 submissions The papers in the volume are organized according to the following topics digital society and public security modelling and simulation of social systems internet intelligent algorithm governance social network and group behavior innovation risks and network security of large language models and artificial intelligence and

cognitive science      **Improving Educational Gender Equality in Religious Societies** Sumaia A. Al-Kohlani, 2018-03-06  
 In this book Al Kohlani examines fifty five Muslim and non Muslim countries from 1960 to 2010 in response to religious theory that associates certain religions with gender inequality and modernization theory which downplays the role of religion on gender inequity and associates gender inequality with socioeconomic factors The author explores both schools of thought and posits that on average Muslim countries have lower educational equality in comparison to non Muslim countries with less religious constitution An interdisciplinary study drawn from the fields of world politics public policy in education and political religion this book responds not only to debates within academia but also to larger debates in society about the role of religion in the state the specific challenges of the relationship of Islam and the public policies and the relationship between constitution and gender equality      **Handbook of the Sociology of Gender** Barbara J. Risman, Carissa M. Froyum, William J. Scarborough, 2018-06-05 This handbook provides a comprehensive view of the field of the sociology of gender It presents the most important theories about gender and methods used to study gender as well as extensive coverage of the latest research on gender in the most important areas of social life including gendered bodies sexuality carework paid labor social movements incarceration migration gendered violence and others Building from previous publications this handbook includes a vast array of chapters from leading researchers in the sociological study of gender It synthesizes the diverse field of gender scholarship into a cohesive theoretical framework gender structure theory in order to position the specific contributions of each author chapter as part of a complex and multidimensional gender structure Through this organization of the handbook readers do not only gain tremendous insight from each chapter but they also attain a broader understanding of the way multiple gendered processes are interrelated and mutually constitutive While the specific focus of the handbook is on gender the chapters included in the volume also give significant attention to the interrelation of race class and other systems of stratification as they intersect and implicate gendered processes      **Handbook of Labor Economics** , 2024-12-05 Volumes 5 and 6 of the Handbook of Labor Economics will systematically review the research topics empirical findings and methods that constitute frontier research in the field The focus will be on the most important research advances that have taken place since the publication of the previous Handbook Volume 4 almost 15 years ago How do factors such as trade technology skills immigration crime unions race and gender affect wages and employment in modern labor markets What is the labor market impact of policy interventions such as minimum wages employment and training policies and family policies Recent methodological advances in empirical methods and models of the labor market in the presence of imperfect competition  
Working Papers , 1984
