## **Sex Satisfaction And Happy Marriage:**

Sex Satisfaction and Happy Marriage Alfred Henry Tyrer, 1941

**Our Sexual Pleasure - Book Two** Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it 25 *Ways to a Happier Marriage* Les Parrott, 2015-01-20 A simple guide to helping couples find happiness in their marriage

**Sexual Knowledge** Britta McEwen, 2012 Vienna's unique intellectual political and religious traditions had a powerful impact on the transformation of sexual knowledge in the early twentieth century Whereas turn of the century sexology as practiced in Vienna as a medical science sought to classify and heal individuals during the interwar years sexual knowledge was employed by a variety of actors to heal the social body the truncated diseased and impoverished population of the newly created Republic of Austria Based on rich source material this book charts cultural changes that are hallmarks of the modern era such as the rise of the companionate marriage the role of expert advice in intimate matters and the body as a source of pleasure and anxiety These changes are evidence of a dramatic shift in attitudes from a form of scientific inquiry largely practiced by medical specialists to a social reform movement led by and intended for a wider audience that included workers women and children

**How to Pick a Mate: The Guide to a Happy Marriage** Clifford R. Adams, Vance Packard, 2022-08-21 How to Pick a Mate The Guide to a Happy Marriage by Clifford R Adams Vance Packard Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is

to produce eBooks that are user friendly and accessible to everyone in a high quality digital format      *Sex Surveyed, 1949-1994* Liz Stanley, 2014-10-13 First published in 1995 This book provides the only feminist overview of the development of both the mainstream and the feminist variant of the survey as a means of investigating sexual attitude and behaviour Illuminating reading for the general reader essential for students on Sexuality Methodology Women s Studies and British Modern Social History courses and key text for all Sociologists      **Exploring the Dimensions of Human Sexuality** Jerrold S. Greenberg, Clint E. Bruess, Sarah C. Conklin, 2007 Exploring The Dimensions Of Human Sexuality Third Edition Has Been Extensively Updated To Include Information And Statistics About Recent Developments This Text Continues To Encourage Students To Explore The Varied Dimensions Of Sexuality And To See How Each Affects Their Personal Sexuality Sexual Health And Sexual Responsibility All Aspects Of Sexuality Biological Spiritual Psychological And Sociocultural Are Presented Factually And Impartially      Close Relationships Pamela Regan, 2011-01-07 This multidisciplinary text introduces the concepts methodologies theories and empirical findings of the field of interpersonal relationships Information is drawn from psychology communication family studies marriage and family therapy social work sociology anthropology the health sciences and other disciplines Numerous examples capture readers attention by demonstrating how the material is relevant to their lives Active learning is encouraged throughout Each chapter includes an outline to guide students key terms and definitions to help identify critical concepts and exploration exercises to promote active thinking Many chapters include measurement instruments that students can take and score themselves A website for instructors features a test bank with multiple choice and essay questions and Power Points for each chapter This text distinguishes itself with Its focus on family and friend relationships as well as romantic relationships Its multidisciplinary perspective highlighting the contributions to the field from a wide array of disciplines Its review of the relationship experiences of a variety of people of different age groups and cultures heterosexual and homosexual and relationship types dating cohabiting marriage friendships family relationships Its focus on methodology and research design with an emphasis on how to interpret empirical findings and engage in the research process Cutting edge research on cyber flirting and online relationship formation the biochemical basis of love communication and social support bullying and peer aggression obsession and relational stalking sexual violence and marital rape and grief and bereavement The book opens by examining the fundamental principles of relationship science along with the research methods commonly used The uniquely social nature of humans is then explored including the impact relationships have on health and well being Part 2 focuses on relationship development from attraction to initiation to development and maintenance as well as the factors that guide mate choice and marriage The development of relationships in both friendships and romantic partnerships is explored Part 3 examines the processes that shape our interpersonal experiences including cognitive thinking and affective feeling processes communicative and supportive processes and the dynamics of love and sex The book concludes with relationship challenges rejection and betrayal

aggression and violence conflict and loss and therapeutic interventions Intended as a text for courses in interpersonal close relationships taught in psychology communication sociology anthropology human development family studies marriage and family therapy and social work practitioners interested in the latest research on personal relationships will also appreciate this engaging overview of the field *Human Sexuality* Ami Rokach,Karishma Patel,2021-01-22 Human sexuality touches us all pun intended We all either enjoy it struggle with it or may have been victims of it Sexuality is not just about sex but about human sexual function the physiology of sex the hormones involved and how they affect us and the cultural norms related to it Sexual function and dysfunction are closely tied to one s self esteem self respect and to relationships with intimate partners *Human Sexuality Function Dysfunction Paraphilias and Relationships* explores the interplay of intimacy and sexuality how it can enhance relationships and how it can negatively affect them or be affected by them When individuals or partners encounter sexual problems or dysfunctions it can have a long lasting affect both biologically and psychologically Dr Rokach explores the causes and the reasons that these dysfunctions are maintained and successful treatment methods Chapters on sexual offenses and paraphilias and what treatment options are available to sexual offenders are also included This book is the first book to place sexuality where it belongs within the context of relationships demonstrating how sexuality relates to intimacy by both enhancing and negatively affecting it Explains psychological biological and sociological theories of sexuality Addresses sexual dysfunctions according to various models of sex therapy Discusses the biological developmental and sociological theories of sexual orientation Explores the specific hormones in male and female sexual behavior The Handbook of Sexuality in Close Relationships John H. Harvey,Amy Wenzel,Susan Sprecher,2004-04-26 The editor s bring together major scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality The emphasis is on theoretical integration and stimulation methodological r **Sexuality** Susan Sprecher,Kathleen McKinney,1993-03-24 Culling the vast literature on sexuality this comprehensive volume offers a timely readable and multidisciplinary portrait of sexuality in close relationships Sprecher and McKinney take an extensive look at current theory and research in sexually based primary relationships paying close attention to sexual attitudes sexual behaviors sexual satisfaction and sexual coercion They discuss sexual patterns in several types of sexual relationships dating cohabitating marital and homosexual and show how sexual aspects of these relationships are related to other characteristics like love and communication The authors also explore sexual standards predictors of sexual attraction sexual scripts the initiation of sex negotiating safe sex behaviors and which types of couples are most sexually satisfied and why This volume is a rich source of information about ways that sexuality is interrelated to relationship phenomenon It provides a valuable historical perspective on selected issues by reviewing older significant pieces of research At the same time recent and important studies on current topics are included thus the book is solidly based on research findings In addition a number of important methodological issues are presented in a clear understandable manner throughout the chapters This makes the

book ideal for instructors who want to emphasize to students that how research is conducted is an important influence on what we know about sexuality Moreover the tone and the high quality of the writing make it ideal for use in upper division undergraduate courses and graduate seminars or for scholars who want to familiarize themselves with this area of investigation Finally the authors are to be complimented on their inclusion of different types of relationships Journal of Marriage and the Family *Close Relationships* ,1989 **Exploring the Dimensions of Human Sexuality** Jerrold Greenberg, Clint Bruess, Sarah Conklin, 2010-03-10 Exploring the Dimensions of Human Sexuality Fourth Edition addresses all aspects of sexuality biological spiritual psychological and sociocultural and presents the information both factually and impartially Throughout the text students will find an emphasis on health and well being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality sexual health and sexual responsibility

*Prescription for Heterosexuality* Carolyn Herbst Lewis, 2010-10-18 In Prescription for Heterosexuality Carolyn Herbst Lewis explores how medical practitioners especially family physicians situated themselves as the guardians of Americans sexual well being during the early Cold War years She argues that many doctors believed that a satisfying sexual relationship with very specific attributes and boundaries was the foundation of a successful marriage a source of happiness in the American family and a crucial building block of a secure nation Drawing on hundreds of articles and editorials in both medical journals and popular and professional literature Lewis traces how medical professionals affirmed certain heterosexual desires and acts while labeling others as unhealthy or deviant **Love, Sex, and Democracy in Japan during the American Occupation** M. McLelland, 2012-02-13 This is the first book in English to examine through material in the popular press the radical changes that took place in Japanese ideas about sex romance and male female relations in the wake of Japan s defeat and occupation by Allied forces at the end of the Second World War *Aging and the Family* Patricia Neff Claster, Sampson Lee Blair, 2021-02-25 This collection makes a crucial contribution by collating research on aging and the family from an international perspective Providing this wide scope of quality research the volume equips readers to better assess how aging and its related issues are affecting families from multiple backgrounds **Desiring Revolution** Jane Gerhard, 2001-04-12 There was a moment in the 1970s when sex was what mattered most to feminists White middle class women viewed sex as central to both their oppression and their liberation Young women started to speak and write about the clitoris orgasm and masturbation and publishers and the news media jumped at the opportunity to disseminate their views In Desiring Revolution Gerhard asks why issues of sex and female pleasure came to matter so much to these second wave feminists In answering this question Gerhard reveals the diverse views of sexuality within feminism and shows how the radical ideas put forward by this generation of American women was a response to attempts to define and contain female sexuality going back to the beginning of the century Gerhard begins by showing how the marriage experts of the first

half of the twentieth century led people to believe that female sexuality was bound up in bearing children Ideas about normal white female heterosexuality began to change however in the 1950s and 1960s with the widely reported and somewhat shocking studies of Kinsey and Masters and Johnson whose research spoke frankly about female sexual anatomy practices and pleasures Gerhard then focuses on the sexual revolution between 1968 and 1975 Examining the work of Betty Friedan Germaine Greer Erica Jong and Kate Millet among many others she reveals how little the diverse representatives of this movement shared other than the desire that women gain control of their own sexual destinies Finally Gerhard examines the divisions that opened up between anti pornography or anti sex feminists and anti censorship or pro sex radicals At once erudite and refreshingly accessible *Desiring Revolution* provides the first full account of the unfolding of the feminist sexual revolution **Psychology** ,1928 The Routledge Handbook of Sexuality in East Central Europe Agnieszka Kościańska, Anita Kurimay, Kateřina Lišková, Hadley Z. Renkin, 2025-04-10 This handbook provides an overview of scholarly research on sexuality in East Central Europe for both students and academics focusing on the Czech Republic Hungary Poland and Slovakia from the late nineteenth century to the present The collection is organized into eight sections covering major areas of research including non normative sexualities family marriage and kinship race ethnicity and nationalism birth health and reproduction religion sex work and mobility violence and sex education The chapters highlight the breadth and depth of current scholarship on the region past and present The contributions present cutting edge research treating each of the East Central European countries on its own terms and contextualizing sexual meanings practices and dynamics in relation to the specific ways they have been shaped experienced represented and contested in the lives of people across these territories In doing so the book underscores the differences in the region s trajectories of sexuality and sexual politics from those of not only the West but also Russia USSR and former Yugoslavia across the long twentieth century Written by a multidisciplinary team of international experts *The Routledge Handbook of Sexuality in East Central Europe* is an ideal resource for scholars of European history gender studies anthropology and sociology *Ebony* ,1950
