Sex and the Single Girl Dr. Juli Slattery, 2017-08-01 A study on sex that goes beyond just don't do it Sexuality is a hot topic these days and opinions are all over the place A resource offering simple do's and don'ts won't cut it *Sex and the Single Girl* fills the gap by providing a broader more comprehensive understanding of what it means to honor God with our sexuality This resource will equip single women to understand their sexuality trust the Lord for redemption and healing and stand against the cultural trends that

marginalize and compromise God's design for sex. Juli Slattery is a clinical psychologist, cofounder of Authentic Intimacy, and author of several popular books including *25 Questions You're Afraid to Ask About Love, Sex, and Intimacy*. She has devoted the last five years to equipping women with God's truth about sexuality, and here she drives home the truth that every sexual choice is also a spiritual choice. The six-week study is broken down into five days for each week, covering:

- Why Sexuality Matters
- The connection between spirituality and sexuality
- Embracing a Grand Design: God's design and the beauty of living according to His wisdom
- Sexuality and Your Character: How sexuality is part of worship and Christian identity
- Sexual Boundaries: A very practical chapter providing a biblical grid for matters like masturbation, oral sex, and how far is too far to go in a dating relationship
- Battling Temptation: A peek at the enemy's playbook helping women anticipate, prepare for, and stand against sexual temptation
- Restoring Intimacy with God: How God can tear down the wall of sexual sin, shame, and confusion through forgiveness and redemption

This study has been tested through pilot groups with college women and other 20-somethings. Revised according to their feedback, it is primed and ready to help any single woman think biblically about sexuality, live accordingly, and experience the joy and freedom of doing so. *Sex and the Single Girl* is especially relevant today. One of the greatest threats to the modern church and emerging adults is the distortion of sexual design. Study after study has documented the proliferation of porn use among both men and women, sexual exploitation on college campuses, experimentation with homosexuality and bisexuality, and the acceptability of multiple sexual partners. The average single Christian has received very little teaching on the purpose of sexuality, and a simple "just wait until you're married" approach won't cut it. Christian singles need to be equipped with a biblical worldview of sexuality and practical tools for talking it out. This study, which Slattery created with two women familiar with curriculum development, is ideal for college campuses and small groups. It will prompt discussions on practical topics like sexual temptation, sexual conduct, and responding to cultural thinking on gender issues and sexual autonomy. It is designed to challenge women to examine the assumptions underlying their sexual behaviors and beliefs. The ultimate goal of this resource is to introduce women to an intimate relationship with God who cares about every aspect of her life.

Living the Spirit Prof. Will Roscoe, Gay American Indians (Organization), 1988-08-15 For centuries throughout America, both before and after the arrival of Europeans, gay and lesbian Indians were recognized as valued members of tribal communities. Combining male and female roles, gay Indians worked as mediators, artists, healers, and providers for their tribes. *Living the Spirit* brings together historical overviews, personal accounts, stories, and poetry that celebrate these traditional roles and the rich heritage of gay Indians, as well as contemporary writings that give voice to the lives of gay Indians today.

Women, Sex, and Addiction Charlotte S. Kasl,1990-07-05 In our society sex can easily become the price many women pay for love and the illusion of security A woman who seeks a sense of personal power and an escape from pain may use sex and romance as a way to feel in control just as an alcoholic uses alcohol but sex never satisfies her longing for love and self worth In this wise and compassionate book Charlotte Kasl shows women how they can learn to experience their sexuality as a source for love and positive power and sex as an expression that honors the soul as well as the body

The British National Bibliography Arthur James Wells,1998 *Littell's Living Age* ,1878 Holy Spirit, Holy Living Antipas L. Harris,2013-07-26 The language of holiness seems outdated It is a word that comes to us thwarted by a negative history associated with undesirable restrictions and oppressive legalisms What do you do with a term that has been negatively socialized even among churches when the God of the Bible clearly states that He wants His people to be holy Holy Spirit Holy Living aims to dust off the discarded idiom and rediscover the depth and splendor of holiness What are some practical implications for theological and spiritual practice Two broad categories express the

particularity of the Church in the world As such the Church must maintain peculiarity to the world First holiness properly understood speaks to being and acting in a way that reflects both a regenerated life in Christ and the ongoing renewal in Christ by the power of the Holy Spirit Secondly holiness as a lifestyle must include at least three principles rest being and doing These three standards undergird a life of conviction of faith and practice worship for God and service to others A holy life follows Christ and is Spirit filled It is unbent by society which is numb to what God wants *The Holy Spirit and Public Life* Mark J. Cartledge, 2022-04-04 The Holy Spirit and Public Life offers a masterful analysis of the intersections between pneumatology and public theology as well as contemporary Christianity and secular society Examining issues from race to domestic violence with compassion as well as critical rigour Mark J Cartledge one of the UK's leading authorities on the Pentecostal Charismatic Movement skilfully anchors his argument in both the biblical text and insight and empirical data from the contemporary world His deep appreciation of the many ways in which the Christian faith inspires and empowers transformative social engagement will motivate and mould the rising commitment among Pentecostals and Charismatics to live the gospel in the public square in the power of the Spirit Finally Cartledge proposes that the church engage with society by being truthful with love This posture provides the integrating center for the life of the church and its mission in the world
