**Relativistic-Cultural, or Biblical?** John Sternfels, LPC, 2025-03-14 Sex Secular Relativistic Cultural or Biblical Sex Across Perspectives is a compelling exploration of the various perspectives on human sexuality This book dives deep into the ways society views and treats sex providing readers with a comprehensive understanding of the subject from multiple vantage points The book begins by examining the secular view of sex which often emphasizes personal freedom consent and individual satisfaction It highlights how modern media including television film and the internet have shaped contemporary attitudes toward sex often promoting a more liberal and open approach The secular perspective tends to prioritize personal autonomy and the pursuit of pleasure without necessarily considering traditional moral frameworks Next the book explores the relativistic approach which argues that morality and ethics including those concerning sexuality are not absolute but rather vary from person to person and culture to culture This viewpoint challenges readers to consider how different societies and communities develop their own unique sexual norms and values often influenced by historical social and economic factors The discussion then shifts to the cultural spiritual perspective which recognizes the profound influence of cultural traditions and spiritual beliefs on sexual behavior and attitudes This section delves into how various religions and spiritual practices view sex from the sacred and ritualistic to the ascetic and prohibitive It offers insights into how spirituality can shape individuals experiences of sex infusing it with deeper meaning and purpose beyond mere physicality Finally the book examines the Biblical perspective providing a thorough analysis of what the Bible says about sex It discusses the scriptural foundations for sexual ethics including the sanctity of marriage fidelity and the purposes of sex according to Biblical teachings This perspective underscores the idea that sex is a gift from God meant to be enjoyed within the boundaries of marriage and aligned with divine principles

### **Homosexuality FAQs - A Christian Perspective eBook**

Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ

and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God

**Homosexuality FAQs A Christian Perspective** is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read

**Sex in Christianity and Psychoanalysis** William Graham Cole, 2015-11-06 Originally published in 1956 this survey of the interpretations of sex by the major figures in Christian thought and in psychoanalysis made an important contribution to the re thinking of our sexual morality at the time The author refutes the common belief that the negative attitude toward sex and the body which had been predominant in western civilization originated with Christianity He shows that such a viewpoint was widespread in the early Hellenism Age nearly three centuries before Christ He emphasizes the essentially positive view which Biblical religion demands and shows how Christianity's attitude early became corrupted by the dualism of the Orient He points to the need for a return to essential naturalism and the Biblical interpretation of sex The first part of the book consists of a historical treatment in the Christian tradition touching upon the teaching of Jesus Paul Augustine Aquinas Luther Calvin and others He analyses the classical and contemporary attitudes and ideas in both Catholic and Protestant circles and shows how Christian understanding comes into conflict with psychoanalysis In the later portions of the book the author discusses sex and psychoanalysis and the major problems in sexual mores He ends with a synthesis of the religious and psychoanalytic points of view and a critical reconstruction of a Christian interpretation
