Good Sex Martin Buss, Nickie Stipe, 2014-01-13 *Good Sex* presents sexual ethics in the light of faith

Speaking on behalf of Christianity Buss describes love your neighbor as yourself as the only Christian rule it is a positive rule rather than one that focuses on prohibitions Since this call is never fulfilled in practice it is joined by forgiveness for oneself and others More concrete guidelines need to be aided by wisdom which is not specifically Christian Detailed biblical support is provided at the end Stipe a contemporary Pagan advocates respect for all living things and doing no harm as a minimal ethical guide leaving positive prescriptions to individual judgment Buss and Stipe discuss details of sexual ethics in largely positive terms what is good to do but also with a concern for problems that should be avoided They agree in many practical matters just as Christians and Pagans did many years ago before sexual equality became an ideal They discuss various kinds of sex including seeing and being seen touching masturbation and penetration different sexual identities committed and uncommitted relationships including the advisability of extended relations having and raising children abortion and sensuous awareness in a spiritual setting

The Poetry of Sex Sophie Hannah, 2014-01-30 The Poetry of Sex a raucous highly enjoyable anthology by acclaimed poet Sophie Hannah We've been at it all summer from the Canadian border to the edge of Mexico It's hard to imagine a more fruitful subject for poets than sex in all its glorious manifestations from desire and hope through disappointment and confusion to conclusion and consequence And little has changed over the centuries as Sophie Hannah's anthology vividly demonstrates from Catullus pleading with Lesbos to Walt Whitman singing the body electric Moods and attitudes may vary but the drive persists as does the desire to write about it Sophie Hannah's selection ranges from ancient Rome to modern New York from gay to straight but her principle has been to go low on the sugar and high on the excitement It is essential reading for poetry lovers and romantics everywhere Sophie Hannah has published five collections of poetry Her fifth Pessimism for Beginners was shortlisted for the T S Eliot Award in 2007 Her Selected Poems is published by Penguin revised edition 2013 She is also the writer of bestselling psychological crime fiction most recently The Carrier Her novels have been translated into 24 languages Born in Manchester she now lives in Cambridge with her husband and children and is a Fellow Commoner of Lucy Cavendish College
