Sex And The Liberated Man:

Sex and the Liberated Man Albert Ellis, 1976 *How to Stubbornly Refuse to Make Yourself Miserable About Anything--Yes, Anything* Albert Ellis, 1988 Dr Ellis argues that not only are anger anxiety and depression unnecessary they are unethical for when one allows emotional disturbances he or she is being unfair and unjust to his herself To be Or Not Delphus David Bourland, Paul Dennithorne Johnston, 1991 **The Liberated Man: Beyond Masculinity** Warren Farrell, 1974 Over mannelijkheid en de effecten van mannelijke waarden en hoe mannelijk gedrag te veranderen in menselijk gedrag Homosexualiteit passim index *The Intimate Male* Linda Levine, 1983-12 **Sex, Sexuality and Therapeutic Practice** Catherine Butler, Amanda O'Donovan, Elizabeth Shaw, 2009-10-26 This evidence based manual examines issues of sexuality in a positive and affirming light and considers how sexuality related issues can be introduced into therapy and training It will support the practicing therapist as well as those in training **At the Dawn of the Sexual Revolution** Ira L. Reiss, Albert Ellis, 2002 History of the American sexual revolution as depicted through the correspondence between Ira Reiss and Albert Ellis two leading social scientists and pioneers of the revolution **Masculinities** R. W. Connell, Raewyn Connell, 2005 This is an exciting new edition of R W Connell s ground breaking text which has become a classic work on the nature and construction of masculine identity Connell argues that there is not one masculinity but many different masculinities each associated with different positions of power In a world gender order that continues to privilege men over women but also raises difficult issues for men and boys Connell s account is more pertinent than ever before In a substantial new introduction and conclusion Connell discusses the development of masculinity studies in the ten years since the book s initial publication The book explores global gender relations new theories and practical uses of masculinity research Looking to the future a new concluding chapter addresses the politics of masculinities and the implications of masculinity research for understanding current world issues Against the backdrop of an increasingly divided world dominated by neo conservative politics Connell s account highlights a series of compelling questions about the future of human society This second edition of Connell s classic book will be essential reading for students taking courses on masculinities and gender studies and will be of interest to students and scholars across the humanities and social sciences **Modern Man** George D. Goldman, Donald S. Milman, 1979 The Weatherwomen Mona Rocha, 2020-03-04 Assertive tough and idealistic the Weatherwomen members of the Weather Underground Organization WUO from the late 1960s were determined to stamp out sexism and social injustice They asserted that militancy was necessary in the pursuit of a socialist revolution that would produce gender racial and class equality This book excavates their long buried history and reclaims the voices of the Weatherwomen The Weatherwomen s militant feminism had many facets It criticized the role of women in the home was concerned with the subordination of women to men attacked the gender pay gap and supported female bodily integrity The Weatherwomen also refined their own feminist ideology into an intersectional one that would incorporate multiple identity perspectives beyond the white American

middle class perspective In shaping a feminist vision for the WUO the Weatherwomen dealt with sexism within their own organization and were dismissed by some feminist groups of the time as inauthentic This work strives to recognize the WUO's militant feminist efforts and the agency autonomy and empowerment of its female members by concentrating on their actions and writings

Men in Therapy Richard L. Meth, Robert S. Pasick, 1991-10-18 Men have long been considered difficult to engage in psychotherapy often being described as resistant unworkable and unfeeling The few available books that deal specifically with men's issues tend to lack a central theoretical focus are highly psychoanalytic in content or simply do not provide specific guidelines for working with men This unique and timely volume fills an important gap in the literature by demonstrating why change is often so difficult for them It provides detailed guidelines for helping men initiate and sustain change in their personal familial and professional lives

Sex Objects Jennifer Doyle, 2006 The declaration that a work of art is about sex is often announced to the public as a scandal after which there is nothing else to say about the work or the artist controversy concludes a conversation when instead it should begin a new one Moving beyond debates about pornography and censorship Jennifer Doyle shows us that sex in art is as diverse as sex in everyday life exciting ordinary emotional traumatic embarrassing funny even profoundly boring Sex Objects examines the reception and frequent misunderstanding of highly sexualized images words and performances In chapters on the boring parts of Moby Dick the scandals that dogged the painter Thomas Eakins the role of women in Andy Warhol's Factory films bad sex and Tracey Emin's crudely evocative line drawings and L.A. artist Vaginal Davis's pornographic parodies of Vanessa Beecroft's performances Sex Objects challenges simplistic readings of sexualized art and instead investigates what such works can tell us about the nature of desire In Sex Objects Doyle offers a creative and original exploration of how and where art and sex connect arguing that to proclaim a piece of art about sex reveals surprisingly little about the work the artist or the spectator Deftly interweaving anecdotal and personal writing with critical feminist and queer theory she reimagines the relationship between sex and art in order to better understand how the two meet and why it matters Jennifer Doyle is associate professor of English at the University of California Riverside She is coeditor with Jonathan Flatley and Jos Esteban Muñoz of Pop Out Queer Warhol
