Shattered Pictures of Places and Cities in George Santayana's Autobiography Graziella Fantini, 2011-11-28 Shattered Pictures of Places and Cities se adentra por las páginas autobiográficas filosóficas y narrativas más relevantes de George Santayana discurrendo por sus viajes y geografías físicas en paralelo a sus viajes y geografías morales Es un intento de ir más allá de la reflexión entorno a los orígenes biográficos del filosofado de ahí que se recupere una indagación sobre su habitar el lenguaje y el arte Santayana reconsidera los fundamentos del arte de la memoria clásica en su autobiografía para formular una nueva propuesta estética donde el arte y la vida se funden y se confunden estimulándose recíprocamente Hila una filosofía del viaje y del lugar donde se privilegia una noción del habitar que ilumina nuestra condición de nómadas en la vida y en el pensamiento y nuestra trágica estable inestabilidad en este mundo

Shattered by Silence Pasquale De Marco, 2025-03-18 In the heartrending pages of Shattered by Silence Mikayla embarks on a poignant journey to confront the demons of her past and unravel the intricate tapestry of her family's history Growing up in the shadow of abuse addiction and violence she grapples with the lingering wounds of trauma and the complexities of familial bonds As Mikayla delves into the depths of her family's dysfunction she uncovers a legacy of pain that spans generations The ghosts of her parents' tumultuous relationship haunt her and she struggles to reconcile the love she feels for them with the pain they inflicted Addiction's insidious grip tightens around her brother threatening to consume him entirely while the weight of guilt and shame threatens to crush her spirit With unflinching honesty Mikayla lays bare the devastating impact of childhood trauma the corrosive power of addiction and the profound consequences of violence She explores the complexities of loyalty the fragility of relationships and the relentless pursuit of healing Her story is a testament to the enduring strength of the human spirit and the transformative power of forgiveness Shattered by Silence is an unflinching exploration of the human condition a poignant meditation on the enduring legacy of trauma and a clarion call for compassion and understanding Mikayla's journey is a testament to the resilience of the human spirit a beacon of hope for those seeking redemption and healing In this powerful and moving narrative Mikayla weaves together the threads of her family's shattered past revealing the intricate tapestry of their lives and the enduring hope that binds them together Shattered by Silence is a compelling exploration of the human spirit a testament to the resilience of the human heart and a beacon of hope for those seeking redemption and healing With grace and sensitivity Mikayla's story illuminates the path

towards healing and reconciliation offering readers a profound understanding of the human condition and the transformative power of love forgiveness and resilience Shattered by Silence is a must read for anyone seeking to confront the darkness within and embrace the transformative power of healing If you like this book write a review *Restoring the Shattered* Nancy E. Head,2018-10-02 Written in an easy to understand conversational style Restoring the Shattered is an account of Nancy E Head s journey through single motherhood and poverty The permanent divide between her and her husband led to a shattering of their family as the children settled into separate camps The story begins when Nancy and her children have little to eat Through a miraculous intervention God provides and leads them along their way Other interventions and more guidance came from people of different denominations illustrating Christ s love through the larger Church When one of Nancy s grown children became Catholic she became more aware of the ways her own evangelical tradition often dismisses Catholic believers and misinterprets many of their doctrines While doctrines may differ so many essential beliefs are the same Restoring the Shattered looks at the causes of the Reformation and other schisms and how the original schism in Christianity happened because of a mistranslation Misunderstanding others faith languages feeds so much separation today Nancy encourages pursuing accord among evangelical Catholic and Christian Orthodox communities in order to lead the Church to the kind of ministry that helped Nancy s family so much and rebuild the ruins of society through obedience to Christ s call for Christian accord Emerson and Science Peter Obuchowski,2005-05 Ralph Waldo Emerson maintained a lifelong interest in science His journals from the earliest to the last document this interest an interest reflected in his lectures essays letters and poems Emerging from Emerson s statements on science is a coherent attitude that can be defined as his scientific thinking The purpose of Emerson and Science is to analyze this thinking and to indicate the relationship it bears to his total thought An analysis of Emerson s scientific thinking reveals that science especially Goethean science affords the means to explore and present what the book elaborates as Emerson s monistic worldview The pervasive influence of Goethe s science on the epistemological bases underlying that view is presented at length In addition to illuminating Emerson s epistemological position the context of science divulges how Emerson s interest in science kept him from the extremes of Swedenborg s mysticism and from falling prey unlike many of his contemporaries to the pseudo sciences of the day including phrenology mesmerism palmistry astrology and so forth Emerson s interest in science also played an important role in his rejection of conventional religion and helped qualify his idealism making him sympathetic to the claims of materialism His focus on science kept him from accepting either of the main streams of the scientific thought of his age and led him to what the book defines as Emerson s scientific mysticism or spiritual science Peter Obuchowski a professor emeritus of English language and literature shows how the context of Emerson s approach to science provides a new focus for considering a number of the key issues that have become the hallmarks of Emersonian criticism issues such as Emerson s optimism in relation both to his spiritually oriented worldview and to his faith in scientific progress as well as his attitude to evil and his

so called philosophical na vet Lee Edelman and the Queer Study of Religion Kent L. Brintnall, Rhiannon Graybill, Linn Marie Tonstad, 2023-12-07 This book takes the groundbreaking work of Lee Edelman in queer theory and for the first time demonstrates its importance and relevance to contemporary theology biblical studies and religious studies It argues that despite extensive interest in Edelman s work we have barely begun to understand the significance of Edelman s ideas both in their own right and with respect to the study of religion Therefore it offers fresh approaches to Edelman s work that necessarily complicate the established interpretations of his thinking With essays by rising and established scholars as well as a response by Edelman himself it contends that by fully engaging Edelman scholars of religion will have to confront negativity and its consequences in ways that will contribute to reshaping the terrain of scholarship on religion race sexuality and social change The insights provided in this book are new territory for much of the study of religion As such it will be of keen interest to scholars of religious studies theology and Biblical studies as well as gender studies and queer feminist and critical race theory
