

THIS MARRIAGE

by Rumi

May these vows and this marriage be blessed.
May this marriage be as sweet as milk and honey,
May this marriage be as intoxicating as old wine,
May this marriage be fruitful like the date palm,
 May this marriage be full of laughter,
 and everyday a paradise.
May this marriage be a seal of compassion,
 for here and hereafter.
May this marriage have a fair face and a good name,
 May this marriage be as welcome as the
 full moon in the night sky.
Listen lovers, now you go on,
as I become silent and kiss this blessed night.

Long Marriage Poems:

The Long Marriage: Poems Maxine Kumin, 2003-05-17 This luminous collection is Maxine Kumin's twelfth volume of poetry the first since her remarkable memoir *Inside the Halo* Themes of loyalty longevity and recovery appear here along with poems addressing the eminent dead Wordsworth Gorki Rukeyser and others Inescapably many poems come up out of the earth I live on and tend to Kumin says

The Art of Love Poetry Erik Irving Gray, 2018 The first study to offer an integral theory of love poetry examining why it is that poetry even more than other arts is so consistently associated with romantic love

British Women Poets of the Long Eighteenth Century Paula R. Backscheider, Catherine E. Ingrassia, 2022-10-01 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R Backscheider and Catherine E Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women's experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women's poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded

Where I Live: New & Selected Poems 1990-2010 Maxine Kumin, 2010-04-12 Where I Live is a collection celebrating the remarkable poetic range of one of America's greatest living poets Where I Live gathers poems from Maxine Kumin's five previous books The poems take as their concern rural life family and poetic legacy and they wrestle with political and social causes Also included is a generous selection of twenty three new poems which expand upon themes that have preoccupied Kumin and bring her record of poetic mastery up to the present Kumin's rare kinship with the natural world is again seen in this collection Book Jacket

Romantic and Victorian Long Poems Adam Roberts, 2019-05-23 First published in 1999 this is a guide which provides easy access to a fairly complete range of the long poetry written in the Romantic and Victorian periods epics narrative poems verse novels and other work of over a certain length The format provides title author length of work and prosodic description Texts are then summarized according to the internal divisions Each poem is accompanied by an objective summary and the poems as a whole are preceded by an introduction which

advances a particular argument as to why the nineteenth century was so fascinated with the length that was the ultimate aesthetic rationale for the long poem

My Business is Circumference Stephen Berg, 2001 Twenty eight contemporary American poets reflect on the poems that have most influenced their own creative vision and offer their best new works in this examination of poetic expression Each entry includes a new poem from the author the text of a poem or poems that particularly influenced the development of the new poem and an essay about that influence The dialogue created between the new works of the poets and the poems that they love provides insight into the poetic process and speaks to the meaning and endurance of great art

A Life of Gwendolyn Brooks George Kent, 2021-02-15 This is the first full scale biography of Gwendolyn Brooks one of America's major poets George E Kent a longtime friend and literary associate of the poet in Chicago was given exclusive access to Brooks early notebooks which she kept from the age of seven Kent also interviewed Brooks her mother and other family members in Chicago and elsewhere He scoured records and correspondence with her publishers editors and agent He participated in the poet's literary enterprises and in her wide circle of literary and family friends The study reveals intimate acquaintance with the Harlem Renaissance with the Chicago literary scene and its leading figures from the thirties on with historical developments in black culture and consciousness and with the significant figures and activities that impressed the poet's life and art It places Brooks work in the context of the civil rights movement the black arts movement and black nationalism Gwendolyn Brooks won the Pulitzer Prize for poetry in 1950 for *Annie Allen* and is today widely recognized as one of the nation's leading poets yet her work has received less than its due from mainstream critics Kent's authoritative book has been one step in correcting that neglect

Encyclopedia of Feminist Literature Mary Ellen Snodgrass, 2015-04-22 Presents articles on feminist literature including significant authors themes and history

Notational Experiments in North American Long Poems, 1961-2011 A. J. Carruthers, 2017-01-28 This book is a critical experiment that tracks the literary and poetic uses of musical notation and notational methods in North American long poems from the middle of last century to the contemporary moment Poets have readily referred to their poems as scores Yet in this study Carruthers argues that the integration of musical scores in expansive works of this period does more work than previously thought offering both resolution and escape from the demands placed on long poem form The five case studies on Langston Hughes Armand Schwerner BpNichol Joan Retallack and Anne Waldman offer approaches to reading literary scores in what might be described as a critical stave or a critical fugue of instances In differing ways musical notation and notational methods impact the form time and sometimes the ethical and political stances of these respective long poems

The Poetics of Wrongness Rachel Zucker, 2023-02-07 The Poetics of Wrongness is a collection of essay talks that the poet Rachel Zucker expanded from lectures presented for the Bagley Wright Lecture Series in 2016 Devastating in their revelations yet hopeful in their endurance these are lectures of protest and reckoning Zucker declares I write against My poetics is a poetics of opposition and provocation that I never outgrew Against the status quo or the powers that be writing

out of and into wrongness Thus Zucker deftly dismantles the outdated paradigms of motherhood aesthetics feminism poetics and politics Bringing Bernadette Mayer Marina Abramovic Alice Notley Adrienne Rich Audre Lorde among many others into the conversation Zucker questions the categories that have been imposed on poetry as well as a poet's need to speak and the resulting responsibilities Prescient in their original observations these expanded talks seek to respond to and engage the many political events since their presentation remaining timelessly persistent in their galvanizing force

Walt Whitman and the Making of Jewish American Poetry Dara Barnat, 2023-08-01 Walt Whitman has served as a crucial figure within the tradition of Jewish American poetry But how did Whitman a non Jewish American born poet become so instrumental in this area of poetry especially for poets whose parents and often they themselves were not born here Dara Barnat presents a genealogy of Jewish American poets in dialogue with Whitman and with each other and reveals how the lineage of Jewish American poets responding to Whitman extends far beyond the likes of Allen Ginsberg From Emma Lazarus and Adah Isaacs Menken through twentieth century poets such as Charles Reznikoff Karl Shapiro Kenneth Koch Muriel Rukeyser Adrienne Rich Marge Piercy Alicia Suskin Ostriker and Gerald Stern this book demonstrates that Whitman has been adopted by Jewish American poets as a liberal symbol against exclusionary and anti Semitic elements in high modernist literary culture The turn to Whitman serves as a mode of exploring Jewish and American identity

Poem Central Shirley McPhillips, 2023-10-10 In everything we have to understand poetry can help Tony

Hoagland Harper's April 2013 In Poem Central Word Journeys with Readers and Writers Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms. She introduces us to professional poets, teachers and students, people of different ages and walks of life who are actively engaged in reading and making poems. Their stories and their work show us the power of poems to illuminate the ordinary, to nurture, inspire and stand alongside us for the journey. Poem Central is divided into three main parts: weaving poetry into our lives and our classrooms, reading poems and writing poems. McPhillips has structured the book in short sections that are easy to read and dip into. Each section has a specific focus, provides background knowledge, shows poets at work, highlights information on crafting, defines poetic terms, features finished work, includes classroom examples and lists additional resources. In Poem Central, a place where people and poems meet, teachers and students will discover how to find their way into a poem, have conversations around poems and learn fresh and exciting ways to make poems. Readers will enjoy the dozens of poems throughout the book that serve to instruct, to inspire and to send us on unique word journeys of the mind and heart.

A Legacy in Poems: Bridging the Gap Claude L. Dallas Jr., 2012-10-17. Title: INITIATING A LEGACY OF POEMS WAS DESIGNED TO Provide a written record of my life, transforming decisions and experiences for my descendants. It is something that I wished had been available for me to assist in my positive self-development as a young man. Record the lessons on life learned from my father and his father to be passed down to future generations. To serve as a guide and template for others who desire to reflect upon their relationships and experiences. Encourage other men in refining and expanding their sense of purpose and destiny. Serve as an example to many of my cultural and spiritual brothers of the importance of recording a written legacy. Legacy Journal of Personal Transformation is an open-ended work of poems and other literature that will be used in the context of speaking with my offspring and their progeny to fill in the dash between the date on which I was born and the date on which I physically depart this dear earth. It is my intention to continue to record my personal life's journey, the significant events in my life and the decisions that resulted. May my vulnerability expressed in these writings assist my heirs and others in becoming more aware of the presence, plans, power and purpose of God. May they treasure the blessings of many past generations who have prayed for them and labored knowing that they would never see this day. 1 Proverbs 13:22 A good man leaves an inheritance for his children's children, but a sinner's wealth is stored up for the righteous.

Humor in Modern American Poetry Rachel Trousdale, 2017-11-16 Modern poetry at least according to the current consensus is difficult and often depressing But as Humor in Modern American Poetry shows modern poetry is full of humorous moments from comic verse published in popular magazines to the absurd juxtapositions of The Cantos The essays in this collection show that humor is as essential to the serious work of William Carlos Williams as it is to the light verse of Phyllis McGinley For the writers in this volume the point of humor is not to provide comic relief a brief counterpoint to the poem's more serious themes humor is central to the poem's projects These poets use humor to claim their own poetic authority to re-define literary tradition to show what audience they are writing for to make political attacks and perhaps most surprisingly to promote sympathy among their readers The essays in this book include single author studies discussions of literary circles and theories of form Taken together they help to begin a new conversation about modernist poetry one that treats its lighthearted moments not as decorative but as substantive Humor defines groups and marks social boundaries but it also leads us to transgress those boundaries it forges ties between the writer and the reader blurs the line between public and private and becomes a spur to self-awareness
