Maran, 2017-09-05 Your updated guide to exploring the night sky Do you know the difference between a red giant and a white dwarf From asteroids to black holes this easy to understand guide takes you on a grand tour of the universe Featuring updated star maps charts and an insert with gorgeous full color photographs Astronomy For Dummies provides an easy to follow introduction to exploring the night sky Plus this new edition also comes with chapter quizzes online to help your understanding For as long as people have been walking the earth those people have looked up into the night sky and wondered about the nature of the cosmos Without the benefit of science to provide answers they relied on myth and superstition to help them make sense of what they saw Lucky for us we live at a time when regular folks equipped with nothing more than their naked eyes can look up into the night sky and gain admittance to infinite wonders If you know what to look for you can make out planets stars galaxies and even galactic clusters comprising hundreds of millions of stars and spanning millions of light years Whether you re an amateur astronomer space enthusiast or enrolled in a first year astronomy course Astronomy For Dummies gives you a reason to look into the heavens Includes updated schedules of coming eclipses of the Sun and Moon and a revised planetary appendix Covers recent discoveries in space such as water on the Moon and Pluto s demotion from planet status Collects new websites lists of telescope motels sky watching guides and suggestions for beginner s telescopes and suppliers Provides free online access to chapter quizzes to help you understand the content Ever wonder what s out there in the big ol universe This is the book for you

The Telescopic Tourist's Guide to the Moon Andrew May, 2017-06-29 Whether you re interested in visiting Apollo landing sites or the locations of classic sci fi movies this is the tourist guide for you This tourist guide has a twist it is a guide to a whole different world which you can visit from the comfort of your backyard with the aid of nothing more sophisticated than an inexpensive telescope It tells you the best times to view the Moon the most exciting sights to look out for and the best equipment to use allowing you to snap stunning photographs as well as view the sights with your own eyes Have you ever been inspired by stunning images from the Hubble telescope or the magic of sci fi special effects only to look through a small backyard telescope at the disappointing white dot of a planet or faint blur of a galaxy Yet the Moon is different Seen through even a relatively cheap scope it springs into life like a real place with mountains and valleys and rugged craters With a bit of imagination you can even picture yourself as a sightseeing visitor there which in a sense you are

Junk Science Dan Agin, 2007-11-27 An overdue indictment of government industry and faith groups that twist science for their own gain During the next thirty years the American public will suffer from a rampage against reason by special interests in government commerce and the faith industry and the rampage has already begun In Junk Science Dan Agin offers a response a stinging condemnation of the egregious and constant warping of science for ideological gain In this provocative wide ranging and hard hitting book Agin argues from the center that we will pay a heavy price for the follies of people who consciously twist the public s

understanding of the real world In an entertaining but frank tone Agin separates fact from conveniently scientific fiction and exposes the data faking reality ignoring fear mongering and outright lying that contribute to intentionally manufactured public ignorance Many factions twist scientific data to maintain riches and power and Agin outs them all in sections like these Buyer Beware genetically modified foods aging and tobacco companies Medical Follies chiropractics health care talk therapy Poison and Bombs in the Greenhouse pollution warfare global warming Religion Embryos and Cloning Genes Behavior and Race We already pay a heavy price for many groups conscious manipulation of the public s understanding of science and Junk Science arms us with understanding cutting through the fabric of lies and setting the record straight
