Or, A Struggle for the Right Nicholas Carter, 2022-07-21 In *Under the Tiger's Claws* Nick Carter must help a prominent banker search for missing bank funds summing up to 90 000 Even worse a trusted bank clerk has gone missing You will be thrilled to find out what happens next **Tigers In Red Weather** Ruth Padel, 2009-05-26 Poet writer and descendant of Charles Darwin Ruth Padel set out to visit a tropical jungle and wildlife sanctuary in India and her visit turned into a remarkable two year journey through eleven countries in search of that most elusive and most beautiful animal the tiger Armed with her grandmother's opera glasses and Tunisian running shoes she set off across Asia to ask the question can the tiger be saved from extinction in the wild Tigers are an umbrella species they need everything in the forest to work in tandem they eat deer the deer need vegetation the vegetation has to be pollinated by birds mammals rodents and butterflies If you save the tiger you save everything else Today the 5 000 tigers that still survive in the wild live only in Asia and are scattered throughout 14 countries Padel says that while tigers will never become extinct they are too popular for that they may disappear from the wild There are as many tigers in cages in the US as there are surviving tigers in the wild As she travels she meets the defenders of the wild the heroic scientists forest guards and conservationists at the frontline fighting to save tigers and their forests from destruction in the places where poverty threatens to wipe out all wildlife She also examines her fascination both as a poet and as the great great granddaughter of Charles Darwin with nature wildness and survival and in the end becomes a knowledgeable advocate for the tiger The result is a beautiful blend of natural history travel literature and memoir and a searing intimate portrait of an animal we have loved and feared almost to extinction **The Tiger's Den** T.

Jack Lewis, 2013-08-29 This story is not about Japan It is about all people It is about tragedy and fear It is about courage It is about love and it is about growth It is about doing the right thing It is written in English but the setting is Western Manchuria early in World War II The pilots of the Japanese forces are facing their first combat against top notch Russian pilots They apply their training but find that actual combat is not what the books described They find comfort in the arms of the women that provide relief for a price Manchuria Mongolia Russia Japan Buddhism Christianity Islam Occupation Oppression The Worlds Oldest Profession Sympathy and Humanity Add them all together and you get A compelling story of a young man thrown into a stark reality He must grow quickly and learn the hard way From the fear and danger to The Tigers

Den **The Boy with the Tiger's Heart** Linda Coggin,2014-08-28 The call of the wild is powerfully realised in this thrillingly evocative modern day fable A girl raised in the wild a desperate race for freedom and a boy with a fiercely guarded secret When Nona s guardian kills himself she is immediately suspected of murdering him In a world where nature and darkness are feared where wild animals are held captive and cities are illuminated by permanent light who will believe her innocence Nona must flee with her only friend a bear who is strangely human In their desperate attempt to escape capture Nona and her bear encounter two strange boys Caius and Jay Together the four of them will hide and fight and make the deadliest of enemies in their desperate race to a forbidden place called The Edge where nature is unrestrained where there is light and shade forest and mountain and where there are no shackles or boundaries A poetic haunting and unforgettable modern fable about nature society and what it is that makes us human **Tiger-shooting in India** William Rice,1857

Once a Week Eneas Sweetland Dallas,1869 **The Oriental Sporting Magazine** ,1870 **The Freemason's Chronicle** ,1883 **Tease** Immodesty Blaize,2009-08-28 Tiger Starr has risen from nothing to become burlesque s most sensational showgirl She s bewitched an adoring public and media with her old school Hollywood glamour hourglass curves and wickedly sexy stage shows Tiger s life is a whirlwind of glamour diamonds celebrity parties and more than her fair share of suitors She seems to finally have it all But though she may have the talents to bring any man or woman to their knees Tiger never lets her friends or lovers get too close Only now she s finally ready to take a chance on love But beneath all the glitz and the feathers she s hiding more than her modesty As she prepares for the most important show of her life it seems somebody is intent on exposing the dark secrets of her carefully guarded past Unfortunately there s more than one likely candidate Is it one of Tiger s discarded lovers A rival showgirl Or even her jealous sister As her world starts to unravel Tiger will have to fight for survival by delivering the performance of her life Irresistible The Times **The Learning Annex Presents Feng Shui** Meihwa Lin,2008-05-05 Literally translated as wind water feng shui is the ancient Chinese art of working with the natural flow of an environment to create harmony in space It is also a phenomenon across the United States rapidly shedding its New Age incense and candles image to become a generally accepted way of designing home and work areas for health wealth and prosperity Yet with all the expensive consultants and self styled gurus out there how do you find plain reliable information on this exciting practice Look no further The Learning Annex Presents Feng Shui packs all the knowledge tools and special tips of a Learning Annex seminar into a book with answers to questions like What is feng shui What are its basic principles How can I analyze my home for good chi and correct problem areas How can I enhance specific life areas Full of sidebars and other special features The Learning Annex Presents Feng Shui gives you the tools and knowledge you need to create spaces that will enhance and improve your life and all in a single night s reading **Tiger's Quest (Book 2 in the Tiger's Curse Series)** Colleen Houck,2011-06-07 Back in Oregon Kelsey tries to pick up the pieces of her life and push aside her feelings for Ren But danger lurks around the corner forcing her to return to India where she

embarks on a second quest this time with Rens dark bad boy brother Kishan who has also fallen prey to the Tigers Curse Fraught with danger spellbinding dreams and choices of the heart TIGERS QUEST brings the trio one step closer to breaking the spell that binds them

The Tiger's Revenge Evan Morris,2025-08-28 Since the end of the Second World War the audacious Operation Jaywick has remained little known amongst the public or military in the United Kingdom It was an incredible endeavour executed by British and Australian service personnel The deepest surface waterborne penetration behind enemy occupied lines undertaken by special forces of WW2 This hand picked band of men would achieve what some thought to be impossible a major strike at the very heart of the Japanese in their newly acquired Empire in South East Asia This story ranks and deserves the same acknowledgement as exploits such as the Dambusters or the Cockleshell Heroes In the words of British Generals and US Admirals and Commanders it achieved what everyone thought was impossible without loss and with the minimum expenditure of resources A terrible twist in the tale is that by not using the success of the mission as a propaganda victory as had been intended by Jaywick s commanders a terrible price was paid by local Singaporeans who were scapegoated by the Japanese Secret Police This is perhaps the reason that Operation Jaywick was never hailed with the success it truly deserved The highly effective delivery of Operation Jaywick gave a green light to an even more ambitious endeavour from which no British or Australian personnel would survive many being executed beheaded by their Japanese captors The Tiger s Revenge is the story told by the son of a special forces crew member who was the only post WW2 British survivor of Operation Jaywick
