Bostic,2009-10-20 Love Lies a brilliant Medical Technologist an insecure co worker mending a broken heart two parking lot attendants from divergent backgrounds a high priced call girl a talented chef who overindulges on junk food a mountain woman hiding from her past and a sick child take us on a wonderful journey They share stories that we will recognize as our own or help teach us something new These dissimilar characters tackle some difficult yet realistic everyday issues through social commentary and soul searching Some will help us take a step back and hopefully a look within The road to love forgiveness redemption self acceptance and awareness can be long discouraging arduous and extremely challenging However these rather colorful characters offer a little something for everyone So many issues we would prefer to ignore or forget grab us right in the middle of a love story that develops between an unlikely pair As the story unravels they weave their way through their trials and tribulations and will keep you wanting more as they find a place in your heart I hope you enjoy the ride *Cry of the Elephant Man* Erik L. Strandness MD MATH,2016-06-30 We are in danger of losing our identities as unique beings created in the image of God Our culture not wanting to answer to a higher authority tries to expel God from the planet but in the process strips off the very image that makes us human If we officiate at the death of God we will also be forced to preside over the funeral of man The good news is that despite the loud voices declaring that we are just evolved animals the vast majority of us behave as if we are special Since the characteristics that make humans unique are found nowhere else on the planet we are compelled to look to the heavens We have a choice we can find significance running with the pack or in becoming children of God We can howl at the moon or offer prayers to our Father but either way we will end up worshipping our maker Dr Strandness explores what it means to be created in the image of God by examining those qualities that are universally recognized as unique to humankind He makes the case that these characteristics have a heavenly origin and can only be adequately explained by a Biblical understanding of humans as Gods image bearers

Filthy Rags Neil C. Parks,2011-10-26 Religion The term religion is used by most to describe a person that seeks and strives to work their way into a state of worthiness and acceptance before a Holy God with their goodness and efforts of works put forth as the offering Sadly enough religion is not understood by most people and Christians as well The natural mind will always rationalize its behavior in hopes it will convince the Creator of the universe to accept the goodness of deeds or overlook the pettiness of mistakes If that is the case then there is no need for the New Testament Bible Grace Grace is unmerited favor or in other words the complete opposite of religion Grace provides forgiveness of every sin with the assurance of no recall Their sins and lawless deeds will be remembered no more Hebrews 10 17 Grace is what has already been done for mankind The payment of the sin debt is too costly for mankind to consider paying The shed Blood of Christ is the only reason we have the forgiveness of sin Without the shedding of His Blood there is no hope **Time Squared** Lesley Krueger,2021-09-28 A richly atmospheric portrait of women s agency and the timelessness of love Time Squared explores the
