saint internally identical to the Orthodox holiness of all times but having unique features of an ascetic of modern times In the new edition for the first time the fifth part of Love Your Neighbor is published transmitted to the publishers after the publication of previous editions The authenticity of the events described partially hidden by personal names is not in doubt In addition to the confirmations of the still living disciples of Father Arseny there is also an internal guarantee of this authenticity the reader's heart joyfully believes everything described since it is impossible not to believe the truth is in its genuine beauty Even in Samizdat typewriting a remarkable book was widely distributed and had a very strong impact on a large circle of readers It revealed the image of a saint of our time intrinsically identical to the Orthodox holiness of all times but having unique features of an ascetic of modern times What is the peculiarity of this recent feat First of all in the spirit of the times The first Christian martyrs were waiting for the imminent end of the world but they were spiritually born in a young church living a clean spiritual life that did not yet know the notorious historical sins If then out of twelve students one became a traitor then the persecution of the 20th century figuratively speaking often only one out of twelve was left true The terrible atmosphere of total renunciation betrayal betrayal the unimaginable scale of a spiritual and historical disaster millions of people captivated by lies and involved in the satanic reprisals against the Church of Christ over their people and their country all this plunged into despondency and despair produced a sense of doom hopelessness abandonment Having lost faith in God the formerly great Orthodox Russia became a defenseless object for the implementation of the satanic plan of an unprecedented in the history of genocide Civil and Patriotic War tens of millions of victims of artificially created famine tens of millions of innocent painfully destroyed in countless camps and prisons Before the Orthodox people are soldered accustomed to deception theft and lies as a way of life to violence and robbery to fornication and debauchery to the systematic destruction of their own children In a devilish obscurity seeing enemies in each other and becoming enemies people gave their strength and life to a century old senseless war cruelly ruthlessly tormenting each other They became unable to organize their national life forgot how to work forgot how to love live a family life give birth and raise children
