

A Traveler's Look at AUSTRALIA

The first harbor in the world "That did British Light," Arthur Phillip found the site where on January 26, 1788, he founded the continent's first European settlement, Sydney Cove. Thousands of special events throughout 1988 will celebrate the bicentennial of this beginning and the achievements of Australia: a nation of wide open spaces, outgoing people, and strange, mysterious animals. The bicentennial's theme, "Living Together," honors Australia's diverse ethnic groups, including its first inhabitants, the Aborigines.
