Encouragement from the Psalms Dr. B, 2023-06-12 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord

Tough Girls Sherrie A. Inness, 2018-01-09 Tough girls are everywhere these days Whether it is Ripley battling a swarm of monsters in the Aliens trilogy or Captain Janeway piloting the starship Voyager through space in the continuing Star Trek saga women strong in both body and mind have become increasingly popular in the films television series advertisements and comic books of recent decades In Tough Girls Sherrie A Inness explores the changing representations of women in all forms of popular media and what those representations suggest about shifting social mores She begins her examination of tough women in American popular culture with three popular television shows of the 1960s and 70s The Avengers Charlie s Angels and The Bionic Woman and continues through such contemporary pieces as a recent ad for Calvin Klein jeans and current television series such as The X files and Xena Warrior Princess Although all these portrayals show women who can take care of themselves in ways that have historically been seen as uniquely male they also variously undercut women s toughness She argues that even some of the strongest depictions of women have perpetuated women s subordinate status using toughness in complicated ways to break or bend gender stereotypes while simultaneously affirming them Also of interest Madcaps Screwballs and Con Women The Female Trickster in American Culture Lori Landay
