Henderson, 2015-12-17 This book demonstrates that there is much about the New Deal that can be characterized as environmental once one substitutes the word environmental for conservation Indeed the scholarship that is contained within this extraordinary book will help correct the widely held view that the New Deal is virtually a blank space in the history of modern environmentalism In fact the New Deal carried forward and greatly extended the work of the Progressive Conservation Era and in many ways helped establish the foundation for the modern environmental movement **The Life of William Cowper** Thomas Wright, 1892 **A Stroll Through John** Jim Wick, 2023-08-15 John was one of three disciples considered the inner circle of Jesus ministry and also referred to the one that Jesus loved He had a special relationship with Jesus and he wrote his entire account of Jesus life and ministry to show that you may believe that Jesus is the Christ the Son of God and that believing you may have life in His name John 20:31 He loved Jesus with all his heart and understood love and wrote about love The love of God toward humankind and he was determined to show that love in such a way that as many people as possible could experience that love for themselves Therefore this book is about explaining John's understanding of the love of God towards His people
