Looking Back Art In Savannah 1900-1960:

Picturing Savannah, 2008 This catalogue for the Telfair Museum of Art's exhibition *Picturing Savannah: The Art of Christopher A. D. Murphy* provides valuable information on Murphy's life and career documenting four decades of his finest work in all media: oils, watercolors, etchings, and pencil and charcoal drawings. Born in 1902, Murphy was one of Savannah's most accomplished and beloved artists. After studying in New York City at the Art Students League, he returned to his native Savannah. He taught privately at the Telfair Academy of Arts and Sciences and at Armstrong College, now Armstrong Atlantic State University. In 1929, he helped found the Association of Georgia Artists, and in 1947, he collaborated with Walter Hartridge on the book *Savannah*, providing drawings and etchings of his native city. Just as his success peaked in New York in 1929, the stock market crashed, and Murphy found it necessary to return home to his family. Of all the artists who have taken Savannah and its environs as their primary inspiration, Murphy was among the most sensitive and skillful. He knew the city intimately and portrayed it in all its facets: elegant and shabby, rich and poor. His work ranged from refined portraits of Savannah's elite to spontaneous depictions of African American children, from images of the city's grand homes to renderings of rural farms and shanties. Murphy's work captures a city in flux, a southern town slowly adopting a modern lifestyle. An incipient preservationist, Murphy documented many homes, neighborhoods, and landmarks that no longer exist. Murphy's work was included in annual exhibits of the Southern States Art League and at the American Watercolor Society and was shown nationally and internationally at the Victoria and Albert Museum, the Cleveland Print Society, the Philadelphia Print Club, the Brooklyn Society of Etchers, the Savannah Art Club, and the Whitney Museum of American Art. He also contributed to such popular publications as *Country Life*, *American Architect*, *House Beautiful*, and *Southern Architect*. The show, which is installed at the Telfair Academy from February 6 through June 1, 2008, presents 80-100 works drawn from local, private, and corporate collections from the Telfair Museum of Art's nineteen holdings and from holdings of the Morris Museum of Art in Augusta.

Slavery and Freedom in Savannah Leslie M. Harris, Daina Ramey Berry, 2014-02-15 *Slavery and Freedom in Savannah* is a richly illustrated, accessibly written book modeled on the very successful *Slavery in New York*, a volume Leslie M. Harris co-edited with Ira Berlin. Here, Harris and Daina Ramey Berry have collected a variety of perspectives on slavery, emancipation, and black life in Savannah from the city's founding to the early twentieth century. Written by leading historians of Savannah, Georgia, and the South, the volume includes a mix of longer thematic essays and shorter sidebars focusing on individual people, events, and places. The story of slavery in Savannah may seem to be an outlier given how strongly most people associate slavery with rural plantations. But as Harris, Berry, and the other contributors point out, urban slavery was instrumental to the slave-based economy of North America. Ports like Savannah served as both an entry point for slaves and as a point of departure for goods produced by slave labor in the hinterlands. Moreover, Savannah's connection to slavery was not simply abstract. The system of slavery as experienced by African Americans and enforced by whites influenced the very

shape of the city including the building of its infrastructure the legal system created to support it and the economic life of the city and its rural surroundings Slavery and Freedom in Savannah restores the urban African American population and the urban context of slavery Civil War and emancipation to its rightful place and it deepens our understanding of the economic social and political fabric of the U S South This project is made possible by a grant from the U S Institute of Museum and Library Services This volume is published in cooperation with Savannah s Telfair Museum and draws upon its expertise and collections including Telfair s Owens Thomas House As part of their ongoing efforts to document the lives and labors of the African Americans enslaved and free who built and worked at the house this volume also explores the Owens Thomas and Telfair families and the ways in which their ownership of slaves was foundational to their wealth and worldview **The Treasure of Ulysses Davis** Susan Mitchell Crawley, 2008 The first in depth catalog of work by one of the South s finest African American wood carvers *Telfair Museum of Art* Telfair Museum of Art, 2005-01-01 The fascinating history of the Telfair featuring 114 representative pieces of fine and decorative art from its vast collection all superbly reproduced and thoroughly annotated **Scenic Impressions** Estill Curtis Pennington, Martha R.
