Looking for God : a Seeker's Guide to God Woodbury, Clair,1983 Looking for God Steven S. Sadleir,2012-07-01 A compendium of all the denominations of religious and spiritual groups and teachers over 250 sources in an updated 3rd edition **Looking for GOD** Steven S. Sadleir,2008 The Seeker's Guide to Faith J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ **Dream Quest: A Seeker's Guide to Finding the Purpose of Being** Justan Mann, PhD,2018-03-07 Dream Quest reveals a series of vivid lucid dreams that foretell the future and delve into the nature of being The dreams happened as described although they are presented within the context of a fictionalized trek that is set on the slopes of New Hampshire s Mount Major Alexander and his companions Verity and Futura eventually find refuge from the night s chill within Madame Leonedria s grotto Therein his dreams about the future human nature and reality are discussed in depth Alexander felt both cursed and blessed by these remarkable events for the gift that allowed him to find a metaphysical path to God s door slowly began consuming his mind Indeed the condition that sparked his visions degenerated Alexander s brain and his memories are now fading However the experiences were recorded long ago and they leave a message that might change your life This is far more than a book about spirituality or morality This is a quest for purpose **The Seeker's Guide to Being Catholic** Mitch Finley,2010-06-01 Recognizing that being Catholic today means being a pilgrim a person with questions doubts and insecurities award winning author Mitch Finley invites readers to explore with him the riches of the Catholic tradition **Seeking God** Trevor

,1980 **Seekers in the Hands of an Elusive God** Jeffery M. Leonard,2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God's presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God's will that we search for God grope for him

and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God *Finding God's Will* Zac Poonen,1971 **A Seeker's Guide to Christian Faith** Ben Campbell Johnson,2000 This Christian primer is for those who are asking the question How can I experience God A Seeker's Guide to Christian Faith serves as a simple introduction to the most basic understandings of the Christian faith and will help new believers and long time believers too begin the journey toward knowing God Ben Campbell Johnson has written 31 brief easy to read articles or guidances to help seekers begin to deepen their faith He gently leads the reader through the daily tenets of Christian living including prayer scripture reading meditation outreach and listening to God and helps them understand the importance of living faithfully In ordinary language free from church jargon the guidances are organized in six overarching themes essential to the Christian faith Getting Your Bearings Naming Your Hunger Learning a New Language Discovering the Book Expressing the Faith and Reaching Farther This little book will encourage people who are mostly new to the faith to make sense of inner longings and to recognize that God has always been present in their lives Holistic Guidance C. Drago,2003 *Jewish Theology in Our Time* Bradley Shavit Artson,Rachel Sabath Beit-Halachmi,2012-12 A powerful and challenging examination of what Jews believe today by a new generation's dynamic and innovative thinkers New in Paperback At every critical juncture in Jewish history Jews have understood a dynamic theology to be essential for a vital Jewish community This important collection sets the next stage of Jewish theological thought bringing together a cross section of interesting new voices from all movements in Judaism to inspire and stimulate discussion now and in the years to come Provocative and wide ranging these invigorating and creative insights from a new generation's thought leaders provide a coherent and inspiring picture of Jewish belief in our time The passionate voices of a new generation of Jewish thinkers continue the dialogue with God examining the dynamics of what Jews can believe today They explore A dynamic God in process The canon of Jewish literature and its potential to be both contemporary and authentic to tradition Critical terms and categories for discussing Jewish theology The ongoing nature of the Jewish search for God Ruptures within the modern Jewish condition And much more God Seekers Richard H. Schmidt,2008 **Luther's Outlaw God** Steven D. Paulson,2019-09-03 In this second of three volumes addressing Luther's outlaw God Steven D Paulson uses several biblical figures Ezekiel Jonah Moses David and more to illustrate Luther's understanding of law and gospel and what this means for

preaching Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all. The gospel is what freed Luther from thinking of the world as split into two: an obscure world where law accuses and a magical world where the law blesses. With remarkable depth and clarity Paulson explores the question: Where do we find a gracious God? For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross.

Dancing with God Karen Baker-Fletcher, 2006-12-01. *Dancing With God* is an exploration of the divine gifts of courage and grace in the face of evil. Moreover, it is a doctrine of God as the source of that courage. Baker-Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion, a metaphor she uses for unnecessary violence. She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit. She engages the contributions of a diversity of theologians like Paul Tillich, Karl Barth, Gordon Kaufman, John Cobb Jr, Majorie Suchocki, Charles Hartshorne, Andrew Sung Park, and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin, evil, and suffering. Through creative works like that of Alice Walker's *The Color Purple* and journalist Joyce King's account of the James Byrd Jr murder in Jasper County, Texas, Baker-Fletcher reveals the healing, encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence.

God Seeker Elmer Towns, 2023-02-21. WHAT IS A GOD SEEKER? A person who gives 100 percent of their heart, soul, and energy to seek and find the Lord. David was a God Seeker. You will follow David, the shepherd-giant slayer, fugitive, and king on his lifelong journey to seek and find the presence of the Lord. While walking along with David as he searches and seeks God, you will.

Seeking God in All Things William E. Reiser, 2004. The practice of spiritual direction assumes a theology of the Holy Spirit, a theology of revelation, and of the Church, and a theology of prayer. *Seeking God in All Things* explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive. Since not every experience of God bears a Christian imprint, William Reiser, SJ, asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life. This question looks beyond suggesting the concrete steps a person might take in initiating, nurturing, and solidifying a way of praying. It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God. Chapters are: It Is God Who Directs; Imagining Divine Action in Human Lives; Where Do Holy Desires Come From? What's Distinctive About the Christian Religious Experience; Further Elements of Christian Distinctiveness; The Incarnation as a Starting Point for Spiritual Direction; and Should Christian Spirituality Move Beyond Jesus? William Reiser, SJ, PhD, is a professor of theology in the religious studies department at Holy Cross College, Worcester, Massachusetts. Over the past twelve years, he has also served as an associate staff member at the Center for Religious Development in Cambridge. He is the author of *Jesus in Solidarity with His People*, published by Liturgical Press.
