Moral Complexities in Turn of the Millennium British Literature Mara E. Reisman, 2022-11-08 Moral Complexities in Turn of the Millennium British Literature offers a critical analysis of moral complexity and social responsibility in works by Kazuo Ishiguro Patrick McGrath Graham Swift Andrea Levy and Jeanette Winterson Mara Reisman argues that through their writing these authors reveal and upset literary cultural and political fictions and encourage readers to think carefully about language power community and social justice The book examines moral issues in two different ways how books by these authors address morally complex social political and cultural issues and how their books serve a moral function by challenging readers to be socially engaged Reisman provides an in depth analysis of *The Remains of the Day* *Asylum* *The Light of Day* *Small Island* and *The Daylight Gate* and uses these books to discuss twentieth and twenty first century British politics and culture These books address a wide variety of issues often associated with moral judgments war racism adultery maternal neglect murder professional misconduct witchcraft and religion Despite this diversity and settings that range from the seventeenth century to the late twentieth century these books include similar arguments about how empathy personal responsibility and civic engagement can create more productive social relations and a less divided world

Windermere's Fan A Play About a Good Woman is a four act comedy by Oscar Wilde first produced 22 February 1892 at the St James's Theatre in London The play was first published in 1893 Like many of Wilde's comedies it bitingly satirizes the morals of society The story concerns Lady Windermere who suspects that her husband is having an affair with another woman She confronts him with it but although he denies it he invites the other woman Mrs Erlynne to his wife's birthday ball Angered by her husband's supposed unfaithfulness Lady Windermere decides to leave her husband for another lover After discovering what has transpired Mrs Erlynne follows Lady Windermere and attempts to persuade her to return to her husband and in the course of this Mrs Erlynne is discovered in a compromising position It is then revealed Mrs Erlynne is Lady Windermere's mother who abandoned her family twenty years before the time the play is set Mrs Erlynne sacrifices herself and her reputation to save her daughter's marriage The best known line of the play sums up the central theme
