Henning,2010-06 Shawn Henning's new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book he's collected love letters, reflections, eulogies, poems, essays, and drawings from people throughout the world who have a special appreciation for the King of Pop Michael Jackson. I was particularly impressed at the diversity of material from so many different countries and cultures — all of it heartfelt and illuminating. In *We Love You More* we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michael's music, creativity, and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michael's huge talent. They will not only comfort those who have written them but those who read them. People will learn about the experiences they have in common with people throughout the world who followed Michael's career, his music, his good deeds, and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book, from eulogies to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning, you've done a wonderful service to the Michael Jackson fan community, and I commend you. Sincerely yours, Larry Nimmer Popular Singers of the Twentieth Century

Robert H. Cowden,1999-07-30 This guide to the biographical literature available on popular 20th century singers covers nearly 1000 artists. Much of the literature cited is also cross referenced to major biographical dictionaries, encyclopedias, and relevant periodicals. Entries not only list known publications associated with popular singers but also incorporate elements of analytical and descriptive bibliography. The artists included in this volume increasingly cross musical boundaries. The popular singer category therefore encompasses Broadway, Hollywood, cabaret, and operetta performers as well as recording artists. Scholars of popular music and popular music enthusiasts will appreciate the extensive research this work embodies. Divided among three sections, citations are arranged alphabetically and include information about literature published through 1997. An appendix of additional artists and an index complete the volume. **Michael Jackson - live in Bucharest**,1992 **Books in Print**,1991 *PASSED AWAY* JONATHAN SUAREZ,2010-02 THE MICHAEL JACKSON IS PASSING AWAY BECAUSE THEY DON'T WANT THEM TO BE ALIVE THE WAY HE WAS ASKING HIM ABOUT HIS SON AND DAUGHTER AND IN HIS ALL THE FAMILY AND FRIENDS IN THEIR NEIGHBOR AND ALSO ON HIS PAST
