Mountain Mover: A 30 Day Journey to Mountain Moving Faith Sisterhood Collaboration, 2019-03-28 The truth is that in life we will face situations that feel like mountains Dreams that feel too big to take on Heartaches that feel heavy Disappointments that seem crushing But God assures that with the smallest amount of faith we can move those mountains You have the power to overcome have victory and move the mountains that are standing in your way Join us as we go in a journey for 30 days to grow in our faith and move some mountains together **Mountain Moving Faith**, 2015-12-27 This book will make true biblical miracle working faith easy and liveable for everyone The book has already been published in Portuguese and quickly sold thousands of copies Many testimonies of amazing miracles including supernatural hearings have been recorded by people who have read this book The writer has masterfully exposed the bible and brings people on a new level of faith **A Mountain Moving Faith** Matthew W. Morine, 2015-01-15 How will you climb to the spiritual heights God has envisioned for YOU Mountain climbing is not for the faint of heart It is a grueling process You often feel like quitting but if you persevere until you reach the summit you earn the satisfaction of standing thousands of feet above the world Faith is not for the faint of heart either It requires you to make difficult choices that will dictate your actions as you strive to reach the ultimate summit Fortunately for us we have something climbers don't have We have Jesus the Rope reaching down from heaven to guide us strengthen us and give focus to our lives Matthew Morine uses his experience on the fourteeners of Colorado mountains over 14 000 feet to teach about faith Geared specifically toward late high school and college age students A Mountain Moving Faith is sure to take your personal relationship with God to new heights **You Can Move Your Mountains** Christine Davis Easterling, 2017-07-03 Mountains have been revered for eons These tall extraordinary rock monuments were built by God so we might admire his craft and climb closer to him This book is a detailed study of the role mountains have played throughout the Bible from Mount Ararat where Noah's Ark rested until the floodwaters receded to Calvary where Jesus made the ultimate sacrifice These are some of the most sacred places in the Judeo Christian tradition and deserve to be honored as such In addition to reviewing the literal mountains mentioned in the Bible this work discusses the figurative mountains in our society challenges such as cancer Alzheimer's disease unemployment domestic abuse and poverty Author Christine Davis Easterling argues that we may better understand how to scale the figurative mountains in our lives by seeing how Jesus conquered the literal ones A mountain can be daunting when you're standing at its base looking up But with Jesus's guidance you will find that no mountain is too tall to overcome And reaching the tops of your personal mountains will bring you closer to the Lord **Mountain Moving Faith** Kenneth E.
